

00:01  
my name Kadaris McEachin i am an  
00:05  
English and music education double major  
00:08  
the reason why i chose to come to  
00:09  
Fayetteville State University was  
00:11  
primarily because I needed to change I  
00:13  
needed to really kind of focus in and  
00:16  
figure out what it was I wanted to do  
00:18  
and how I wanted to go about it since I  
00:20  
came here to FSU there's been two  
00:21  
instructors that have really helped me  
00:23  
figure me out and they'll have to be in  
00:24  
the English department or dr. Kim and  
00:26  
then my band director mr. John Reed  
00:28  
actually when I first came to FSU it was  
00:31  
fall 2016 and when I came here I was  
00:34  
like okay I know what I want to do I  
00:36  
know I want to go about it but when I  
00:38  
got to FSU campus and there were so many  
00:40  
things that were just opening up for me  
00:41  
and there were so many things that I  
00:43  
wanted to get a part of so it took me  
00:45  
really a minute to really figure out why  
00:47  
I wanted to do cuz I cuz again you know  
00:49  
I'm an artist so I wanted to figure out  
00:51  
how can I creatively express myself and  
00:53  
I realized that you know I could do that  
00:55  
by being an educator of the Arts which  
00:58  
is the main reason why I'm a double  
00:59  
major in English and music education if  
01:01  
one of my friends was considering coming  
01:02  
to FSU I would tell them to just take a

01:05  
look on the campus just walk around just  
01:07  
see how people are interacting you know  
01:09  
and then imagine yourself being there  
01:11  
you know look at you know how people are  
01:13  
being treated you know look at how you  
01:15  
know students are interacting with their  
01:16  
professors or you know or what they're  
01:18  
doing in their leisure time you know and  
01:20  
that will really give you a feel of the  
01:21  
university itself the reason why I'm  
01:23  
proud to be a Bronco is because honestly  
01:25  
I look like it has to be the diversity  
01:28  
I've seen a lot of different students of  
01:30  
a lot of different backgrounds of all  
01:31  
different ages I've seen older students  
01:34  
I've seen military I've seen younger  
01:35  
students and the main thing I love about  
01:38  
being a Bronco is that regardless of  
01:39  
what your dream is there's someone  
01:41  
that's here that's gonna help you figure  
01:42  
that out and then especially in regards  
01:45  
to financial aid like it's been so many  
01:47  
opportunities to help me because you  
01:49  
know again I'm a transfer student so  
01:51  
that's my main reason of why I'm proud  
01:53  
to be a Bronco  
01:55  
[Music]  
01:57
