My name is Zeena Simmons. I am a senior and I am a psychology major with a minor in social work.

I've got adult children that I that I put through college and they encouraged me to return, finish my degree. I've met a lot of amazing professors here FSU.

Mrs. Williams very selfless stays after class and you know old people sometimes struggle with technology. On the psych side Mrs. Park so Professor Parks also Professor Coyle, Professor Phillips.

Absolutely attend FSU. You learn a lot more than textbook or curriculum information you learn a lot of life lessons and there is a sense of I don't know worthe- I've enjoyed it I've enjoyed it. I'm looking forward to graduation but I'm definitely gonna miss the mentorship. It's been a long journey.

I joined the military a little over 25 years ago to go to college and I ended up raising kids and retiring and now I'm focusing on me and I've met a lot of amazing people here at FSU. I don't know it's just been a it's been an awesome experience.
