

Fayetteville State University Corporate Connections Program

Aligning Talent with Opportunity!

Dear Employers,

Are you looking for ways to connect with talented students to hire for your organization? Do you believe increasing your visibility on campus will interest students in careers with your organization? If so, The Office of Career Services at Fayetteville State University is excited to present to you, the **Corporate Connections Program - *Aligning Talent with Opportunity!***

The Office of Career Services could not provide the level of professional development and career related developmental support for our students without the generous donations of Corporate Connections Program Sponsors. Participation in the Corporate Connections Program provides sponsors with website presence, campus recruiting benefits and campus visibility. What better way to get your organization in front of the talent you wish to hire!

The Fayetteville State University Office of Career Services and the Bronco family hope that you will join us as we endeavor to ***Align Talent with Opportunity!***

Annual sponsorship levels and opportunities are listed below. For additional information regarding the Corporate Connections Program- Aligning Talent with Opportunity, contact the Fayetteville State University Office of Career Services on 910-672-1212.
