Authorization for Off Premise Activities

Due to the renovation of the Early Childhood Learning Center's playground for Preschoolers and NC Pre-K children, sometimes our play activities will involve going outside of the fenced playground area to the FSU Lily Gym (next door).

There may also be nature walks which might include planting a garden on the ECLC property, walking through the FSU campus to collect fall leaves, or going to the Football Field, Gazebo, Student Center, Capel Area and/or Seabrook Auditorium.
