SPRING 2014
Introduction to World Cultures & Global Issues
GLBL 200 (3 global literacy credits using course substitution*)
*Unless Major Requires a Different Course

Interested in learning more about other countries, peoples, cultures & lifestyles?

- Global diversity through teaching cultures and lifestyles in different parts of the world
- Global heritage through an understanding of the backgrounds of different countries
- Global interdependence by understanding how in this technological age, the world grows flatter by the day. The impact of media and technology in bringing people closer in a symbiotic relationship

Tuesdays & Thursdays: 9.30 to 10.45 am.
Instructor: Prof. Sharmila Udyavar
