MIS Graduate Starts a Job at the Federal Deposit Insurance Corporation

July 2011, Fayetteville, NC - MIS and Finance double major Garry Simpson who graduated last spring landed a job at the Federal Deposit Insurance Corporation as a database/SQL programmer. He started in June. His job offer came as a result of initial interviews he had at the Thurgood Marshall Conference in New York last semester, which some FSU business students were selected to attend.

Miss Brittany Harrison and Mr. Ivory Anthony Osbourne, 2011 FSU graduates and honors students in accounting, were accepted into the Shanghai Institute of Foreign Trade in Shanghai, China. Miss Harrison and Mr. Osbourne will pursue a master's degree in International Business. Both students participated in the Thurgood Marshall Initiative and studies abroad (in China) during the 2008 summer term.
