Diversity Resources

**Minority Institutions - www.molis.org**

**American Association of Blacks in Energy** (AABE)
www.aabe.org
Encourages African-American students to pursue careers in energy-related fields and provides scholarships and other financial aid.

**American Council on Education of Minorities in Higher Education**
www.acenet.edu
Studies and reports on minority issues; provides assistance to colleges and universities to improve recruitment and retention of minority students.

**American Indian College Fund** (AICF)
www.collegefund.org
Raises money for the tribal colleges.

**American Indian Higher Education Consortium** (AIHEC)
www.aihec.org
Tribally controlled member colleges exchange ideas and information.

**American Indian Science & Engineering Society** (AISES)
www.aises.org
Provides, through educational programs, opportunities for American Indians and Alaska Natives to pursue studies in science, engineering, and technology arenas.

**ASPIRA Association Inc.**
www.aspira.org
Devoted to the education and leadership development of Latino youth.

**Association of Cuban Engineers** (ACE)
a-i-c.org
Membership organization, including student members.

**Association of Higher Education And Disability** (AHEAD)
www.ahead.org
Organization of professionals committed to full participation in higher education for persons with disabilities.

**Association of Latino Professionals in Finance and Accounting** (ALPFA)
(Formerly the American Association of Hispanic Certified Public Accountants)
www.alpfa.org
Dedicated to enhancing opportunities for Latinos in the accounting, finance, and related professions.
Association for Women Geoscientists (AWG)
www.awg.org
Encourages participation of women in the geosciences.

Association for Women in Mathematics (AWM)
www.awm-math.org
Encourages women in the mathematical sciences.

Black Data Processing Associates (BDPA)
www.bdpa.org
Encourages African-American students to enter the information technology field.

Black Retail Action Group, Inc. (BRAG)
www.bragusa.org
Offers professional development and networking assistance to students and employers interested in retail management careers.

Center for the Advancement of Hispanics in Science and Engineering Education
www.cahsee.org
Prepares Hispanic and other underrepresented minority science and engineering students to achieve academic excellence and professional success through educational and leadership development programs.

Career Opportunities for Students With Disabilities (COSD)
www.cosdonline.org
National advocates for the employment of college students and recent graduates with disabilities.

The GEM Consortium: National Consortium for Graduate Degrees for Minorities in Engineering and Science
www.gemfellowship.org
Provides opportunities for underrepresented minority students to pursue graduate education.

Hispanic Association of Colleges & Universities (HACU)
www.hacu.net/hacu/Default_EN.asp
Works to improve access to and quality of postsecondary educational opportunities for Hispanic students.

Hispanic Association on Corporate Responsibility
www.hacr.org
HACR strives to ensure that there is an equitable participation of the Hispanic community in Corporate America commensurate with the Hispanic purchasing power.

INROADS, Inc.
www.inroads.org
Prepares underserved students for leadership positions by placing them in internships with U.S. corporations.

Leadership Education and Development Program in Business (LEAD)
www.leadnational.org
Influences talented minority students to pursue careers in business.

Minorities in Agriculture, Natural Resources and Related Sciences (MANRRS)
www.manrrs.org
Fosters and promotes the agricultural sciences and related fields among ethnic minorities.
National Action Council for Minorities in Engineering (NACME)
www.nacme.org
Seeks to increase the number of minority students enrolled in and graduated from engineering schools.

National Association of Black Accountants (NABA)
www.nabainc.org
Encourages and assists minority students in entering the accounting profession.

National Association of Black Journalists (NABJ)
www.nabj.org
Works to expand job opportunities and recruiting activities for African-American students interested in the journalism field.

National Association of Hispanic Nurses (NAHN)
www.nahnnet.org
Works to increase recruitment and retention of Hispanic students in nursing education programs.

National Association of Multicultural Engineering Program Advocates (NAMEPA)
www.namepa.org
Works to improve the recruitment and retention of minorities earning degrees in engineering.

National Association of Women in Construction (NAWIC)
www.nawic.org
Supports women in construction and awards

National Black Law Students Association (NBLSA)
www.nblsa.org
Promotes the professional needs and goals of Black law students.

National Black MBA Association (NBMBAA)
www.nbmbaa.org
Encourages black students to pursue business education; serves as a support network for MBA graduates and students.

National Black Nurses Association (NBNA)
www.nbna.org
Provides career center assistance and continuing education for nurses, and scholarships to students pursuing health degrees.

National Council of La Raza
www.nclr.org
Works toward improving life opportunities, including educational needs and opportunities for Hispanic Americans.

National Hispanic Institute (NHI)
www.nhi-net.org
Provides leadership training for Latino high school and college students.

National Hispanic Scholarship Fund (NHSF)
www.hsf.net
Provides scholarships for Hispanic undergraduate and graduate students.
National Organization for the Professional Advancement of Black Chemists & Chemical Engineers (NOBCChE)  
www.nobcche.org  
Works to build the number of minorities in the fields of science and engineering.

National Organization of Minority Architects (NOMA)  
www.noma.net  
Involved in the advancement of minority professionals in the profession, including job placement help for college students.

National Society of Black Engineers (NSBE)  
national.nsbe.org  
Seeks to increase minority participation in engineering.

National Society of Black Physicists (NSBP)  
www.nsbp.org  
Seeks to increase the number of African-Americans in the field of physics.

National Society of Hispanic MBAs (NSH MBA)  
www.nshmba.org  
Fosters Hispanic leadership through graduate management education and professional development.

National Urban League  
www.nul.org  
Supports movements and projects toward enabling African Americans to secure economic self-reliance through education and employment.

Organization of Chinese Americans (OCA)  
www.ocanational.org  
Among its objectives, OCA strives to develop leadership and community involvement through organizational and college affiliates throughout the country.

Quality Education for Minorities Network (QEM)  
www.qem.org  
Works to improve education of African Americans, Alaska Natives, American Indians, Mexican Americans, and Puerto Ricans.

Society for the Advancement of Chicanos & Native Americans in Science (SACNAS)  
www.sacnas.org  
Encourages Chicano/Latino and Native American students to pursue graduate education in preparation for research careers and science teaching professions at all levels.

Society of Hispanic Professional Engineers (SHPE)  
www.shpe.org  
Seeks to increase the number of Hispanic professionals and college students in the fields of engineering and science.

Society of Mexican American Engineers & Scientists (MAES)  
www.maes-natl.org  
Works to increase opportunities for Mexican-Americans in engineering, computer technology, and science.
Society of Women Engineers (SWE)
societyofwomenengineers.swe.org
Educational service society; serves as an informational center on women in engineering.

Thurgood Marshall College Fund
www.thurgoodmarshallfund.net
Supports retention and graduation rates; identifies and prepares students who have leadership potential; and creates a pipeline for employers to students and alumni.

United Negro College Fund (UNCF)
www.uncf.org
African-American higher education assistance organization.

Women in Engineering Programs and Advocates Network (WEPAN)
www.wepan.org
Strives to enhance the success of women in the engineering professions.
