Preparing for Quizzes  Your quizzes feature 10 multiple-choice questions based on the Oakes textbook and your required Blackboard course readings and films. It is imperative that you carefully complete all readings and assignments in order to prepare properly for the multiple-choice quiz. Your quizzes have a 10 minute time limit (I deduct one point from your score for every minute, or portion thereof, that you exceed the time limit).
Preparing for Exams Your exams feature essay questions and may be completed as you finish the required sections of the textbook and other Blackboard assignments. Your take-home exams are now available in Blackboard in the information section. When completing your answers, be sure to paraphrase from the reading, avoid excessive quoting, make certain that you indicate all quotes, and provide citations for all of your answers, including either the page number from your readings or the title of the assignment from Blackboard. Do not attempt to complete your essay at the last minute and avoid writing an answer that falls below the minimum number of required words. Do not use any sources other than those assigned for this class and be sure to use all relevant assigned sources when preparing your essays (i.e. document, textbook, film etc.). Any evidence of plagiarism will incur the forfeiture of all points for the offending answer and/or possible Fayetteville State University-imposed disciplinary action. Please submit your exam as an email attachment.
