

COLLEGE TRANSITIONS PROGRAM

Fayetteville State University (FSU) has partnered with Fayetteville Technical Community College (FTCC) to develop a College Transition Program. The partnership provides for the transition of FSU students to FTCC to earn an appropriate degree or diploma that will enable subsequent degree completion at FSU.

Students who are eligible to participate in the College Transition Program are students who have demonstrated potential for college success at FSU, but their academic progress makes them ineligible for continuous enrollment or financial aid at FSU. However, FSU will allow College Transition students to re-enroll at FSU upon successful completion of the program at FTCC. Successful completion means completion of an appropriate diploma or associate degree at FTCC. Successful College Transition students will be eligible for FSU's Academic Fresh Start Program as soon as they complete the College Transition Program at FTCC.
