****Please reinstate my Federal Direct Loans to original amount****

***Disclaimer:** I understand that any changes or request made to my loans can require 10 business days for processing. If I am a first time borrower, I must complete an online Entrance Loan Counseling and Master Promissory Note (MPN) before my loan funds will be credited to my student account. If I drop below halftime, completely withdraw from the university, or do not return to school, my grace period begins, and I will need to complete an Exit Loan Counseling. The grace period for all Federal Direct Loans is six (6) months.*

By signing this form, I understand that I am authorizing The Office of Financial Aid at Fayetteville State University to automatically accept my full loan eligibility on my behalf as well as I understand my responsibilities and rights as a Direct Loan Borrower.
