- If medically necessary, you will be taken, or sent, to the medical network provider listed below after obtaining a medical authorization form from the WCA.

- If you are contacted by the CorVel Adjuster in the claim investigation or administration process, you must provide all required information in order to expedite claim processing.
- Any absences from work related to the injury must be authorized with a statement from the treating physician. You must provide any such documentation given to you by the physician to the WCA as soon as possible.
- You are required to provide a doctor's note to the WCA stating any medical restrictions placed on you as a result of the injury.
