Thursday, April 18th 4:00pm-4:30pm	<p style="text-align: center;">2019-2020 FAFSA: Line by Line</p> <p>Filling out the Free Application for Federal Student Aid (FAFSA) may seem like a difficult process. Making mistakes can limit or otherwise eliminate eligibility for financial aid. A line by line guide through the 2019–20 FAFSA will give a better understanding of how to correctly complete the form. We will also review areas where the most common mistakes are made and share some online resources to help students through the application process.</p>
Wednesday, April 24th 6:00pm-6:30pm	<p style="text-align: center;">My Child has Been Accepted into College! Now What?</p> <p>Congratulations! Your child has been accepted into college. The hard work has paid off. This is an extreme privilege and an honor. However, what are the next steps to embark upon this different world? This workshop is a step by step guide to provide parents with answers to questions such as “Which college should my child chose?” to “What courses will they be taking?” and all questions in between. This discussion will ensure a smooth transition from High School into the Freshmen Year!</p>
Thursday, May 23rd 4:00pm-4:30pm	<p style="text-align: center;">Federal Student Loans</p> <p>With federal student loans you can borrow money directly from the government. You will learn about the different types of student loans available, and how to use them to responsibly pay for college. Since federal loans offer different benefits than private loans, you should explore them first. Join us to help determine if you need student loans, how to borrow, and how much to borrow.</p>
