Fayetteville State University is a constituent institution of The University of North Carolina and the second-oldest public institution of higher education in the state. Founded in 1867 as the Howard School, seven visionary Black citizens of Fayetteville paid \$136.00 for two lots on Gillespie Street and formed among themselves a self-perpetuating Board of Trustees to maintain the property for the education of Black youth. The seven Founders were David A. Bryant, Nelson Carter, Andrew J. Chesnutt, George Grainger, Matthew Leary, Jr., Thomas Lomax, and Robert Simmons. Robert Harris was named the first principal of the Howard School. An act of the legislature provided for the establishment of a teacher training institute for Black North Carolinians in 1877. The Howard School in Fayetteville was selected to become the State Colored Normal School, and thus became the second oldest state-supported institution of its kind in North Carolina.

FSU now serves a growing student body of over 6,000 and ranks among the nation's most diverse campus communities. FSU's enrollment has increased rapidly in the past few years, while at the same time average SAT scores for incoming students has also improved.

A new Nursing Education and Research Center is now complete and renovation of other facilities is underway. New undergraduate and graduate degree programs have also been established, including FSU's first doctoral program in Educational Leadership. The university offers 43 undergraduate and 23 master's degree programs in the arts and sciences, business and economics, and education.

Dr. James A. Anderson, professor of psychology and former Vice President and Associate Provost at the University of Albany in New York, was selected as Chancellor of Fayetteville State University by the University of North Carolina's Board of Governors to lead the 142-year-old institution in June 2008. Active in professional, civic, and higher education organizations, Anderson's research and writing have focused on the assessment of student learning, as well as the impact of diversity on student learning, retention, and overall institutional effectiveness. He is the author of three books, including *The Unfinished Agenda: Brown v. Board of Education* (2004) and *Driving Change through Diversity and Globalization-Transformative Leadership in the Academy* (2007).

The Howard School, founded in 1867, was the genesis of Fayetteville State.

OFFICE OF HOUSING AND RESIDENCE LIFE

The Office of Housing and Residence Life works diligently to provide a comfortable and

safe environment structured to enhance the academic climate at Fayetteville State University. We are dedicated to integrating education and out of class learning, while providing opportunities for leadership, citizenship and campus involvement.

As a department dedicated to student life, there is a strong commitment to provide a positive community for residential students. Efforts are made to integrate academic and out-of-class learning as well as providing opportunities for leadership and involvement in the residential community. The staff does not assume a parental role, but will gladly assist students in their personal and professional developmental and are considered partners in the process towards success! Other functions performed by the Office of Housing and Residence Life include: special event programming, presenting co-curricular workshops, creating opportunities for social networking, safety awareness training, peer mediation/conflict resolution, and referral services to campus or community resources.

YOUR RESPONSIBILITIES AS A RESIDENT

The residential experience is meant to be a positive one, filled with fond memories, social growth, and the development of long lasting relationships. There are, however, certain responsibilities that you assume when you move into the residential living community.

In addition to the items listed in this document, the rules and regulations of the University and the residence halls are clearly spelled out in the Housing Contract, guide to housing and residential living, the Student Handbook and other subsequently published addendums. These items are available online at: www.uncfsu.edu/reslife. You are responsible for knowing these rules and for adhering to them at all times. Any student involved in any violation(s) of university rules, regulations, or policies is subject to the established disciplinary sanctions.

If you are suspended from classes or evicted from the residence halls, the student is required to leave the residence halls with his/her belongings within 24 hours unless otherwise specified. You will not be allowed to continue living in or visit any of the University residence halls (both on and off campus) on either a temporary or permanent basis. Additionally, the student may not attend Residence Life social functions in or around any of the University residence halls.

RESPONSIBILITY TO THE HOUSING CONTRACT

As a member of the Residence Hall community, you have a contractual responsibility with the Office of Residence Life and to your residential campus community. Part of that responsibility entails a thorough knowledge of the terms and conditions of the housing contract. As part of that knowledge, you have an inherent duty to fulfill your financial responsibility to the contract and all of its terms and conditions. The Office of Housing and Residence Life is available to assist you, clarify such responsibility and/or direct you to the appropriate resources.

Student housing is restricted to currently enrolled full-time students. Request for exception to this requirement should be made in writing to the Assistant Vice Chancellor of Student Affairs within 72 hours of an individual dropping below a full-time status.

The housing application/contract is active for a one year academic term, and therefore must be re-submitted on a yearly basis along with an annual processing fee. Regular academic term contracts begin during the fall semester and extend through the spring semester. A separate application/contract must be completed for summer sessions. The contract does not guarantee assignment to a particular type of accommodation nor does it determine final admission to the University. The Office of Housing and Residence Life reserves the right to modify room assignments for room consolidation, disciplinary reasons, catastrophes, closing of the facility, unresolved incompatibility of roommates or other reasons deemed

necessary for community living.

It is important to note that all students who reside in a campus managed facility must be enrolled in a meal plan. First-Time students are automatically enrolled in the default 21-Meals per week plan. After the freshmen year, residents may select another meal plan option.

PERSONAL RESPONSIBILITY AND MUTUAL RESPECT

Living in the residence halls at Fayetteville State University is a privilege, not a right. Housing and Residence Life employees are not expected to tolerate abuse in the performance of their duties; therefore, the harassment of any Housing and Residence Life official, employee, or contracted service provider will result in disciplinary action.

Housing and Residence Life relies on the ability to openly communicate and efficiently deliver important information to all residents. Your residence hall staff will, from time to time, announce mandatory floor meetings and programs. Students are required to attend such events. Advance notice for such meetings will be given. If you cannot attend the floor meeting or program, arrangements must be made in advance with your Resident Director.

As an on-campus student, you are not subject to any curfews or time restrictions for entering or exiting the residence hall in which you are assigned... Students are encouraged to use this freedom wisely, while remembering your purpose for going to college and planning your social events around your academic commitments. In order to maintain a hospitable living environment, no weapons, no illegal drugs, no smoking, and no pets are allowed. Please review the guide to housing and residential living for additional details regarding these items.

The residence hall space is “shared” space. Each residential community has a set of hours that are considered to be “quiet hours” or “study hours”. During these times, students are expected to refrain from loud and boisterous activities, talking or playing music that would interfere with other persons studying, quiet time or rest time.

Roommates are expected to display courtesy and mutual respect for each other’s academic pursuits, life style and personal belongings. No roommate has the authority to infringe on the other’s rights; nor does one student have full ownership of the assigned area.

Along with your roommate, you are fully responsible for all activities that occur in your assigned room and/or suite. Even if you are not actively involved in a policy violation, you can be held accountable if you are present during such a violation or if you give others access to your room, suite, or hall. **You should always lock your room, suite and/or building door when you leave, even if only for a few moments.** This will help in preventing others from committing violations in your room; suite and/or building that could lead to disciplinary sanctions. Do not condone any violation in your presence. While it is not recommended that students directly confront roommates or anyone else perceived to be in violation of the Student Conduct Code or Residence Life policies and procedures, it is your responsibility to notify a Residence Life staff member immediately when a violation occurs.

RESPONSIBILITY FOR YOUR GUESTS

Regulations governing same sex and co-ed visitation are administered by the Office of Housing and Residence Life. The specific hours and requirements for guest (non-room residents) will be distributed by your Resident Director or Resident Assistant. The Resident Director or designee has the right to restrict or deny guest visitation at any time.

All guest(s) are required to register and check in at the visiting hall main office upon entry. Guests who do not currently reside in on campus housing must provide a valid state or

federal government issued photo identification card upon entry. On campus residents must show their halls hall entry card prior to be permitted into another residence hall.

You are responsible for the conduct of your guests while they are in the residence halls and/or attending events on campus. You are required to escort your guests at all times while in the residence halls.

The Halls are not the appropriate place for children. Except for move-in and move-out periods, children under the age of 14 are only allowed hall lobby visitation and must be accompanied by an adult guardian at all times. Children are not permitted to stay overnight.

A student may have one overnight guest of the same sex who is at least 18 years old with advanced approval of the residence hall director. A request for overnight guest must be submitted to the Resident Director at least 72 hours in advance of the overnight guest's intended arrival. The maximum length of any overnight visit is three consecutive nights.

The Residence Hall Staff reserves the right to ask visitors to vacate the premise and/or limit their access to other parts of the hall at their discretion.

RESPONSIBILITY FOR ROOM MAINTENANCE, DAMAGES AND CLEANLINESS

You along with the Facilities Maintenance staff share responsibility in maintaining your room and the residence halls. You can complete a hall room maintenance request by reporting the issue or concern to the front office in your building. Your responsibilities include: maintaining proper condition of your room and its contents; timely and specific reporting of all housekeeping concerns, damages or maintenance problems; arranging furniture and personal belongings to facilitate maintenance staff easy access to respond to repair requests; perform routine room maintenance and/or to correct unsafe or potentially hazardous conditions as appropriate and safe.

Residents are responsible for cleaning their rooms and other common areas such as bathrooms, kitchens and living rooms if residing in a suite or junior suite. Each resident is expected to display good housekeeping efforts and keep their area clean and neat. You are responsible for removing trash from your room and/or suite area on a daily basis. The residence hall staff performs health and safety inspections and may issue a charge or fine for areas left untidy. Health and safety inspections will be announced and publicized at least 24 hours in advance. Residence Life reserves the right to perform an unannounced health and safety inspection of an individual's room in instances that the life and safety of someone is thought to be in jeopardy or to minimize the potential damage to the hall.

RESPONSIBILITY FOR YOUR ROOM

Student rooms are primarily designed to provide lodging and a comfortable place to study and relax. Students are responsible for maintaining the facility in which they reside. Upon check in you should carefully inspect your room and note the condition of furniture, fixtures, walls, floor and ceiling on the Room Condition Form. You will be billed for any damages and/or discrepancies not noted on your Room Condition Form.

FSU prohibits all cooking or heating appliances (other than microwave ovens, hair irons, and blow dryers) from use in residence halls. Grills, hot plates, toasters, George Foreman's, pets, candles, oil lamps, kerosene, immersion heaters, incense, electric blankets and heaters and ceiling fans are not allowed in the residence halls. In addition, weapons, box cutters, knives, guns or any item perceived to be a weapon are strictly prohibited in and around the residence halls. This includes, but is not limited to

explosives, firecrackers, bottle rockets, smoke bombs, ammunition and related paraphernalia, BB guns, pellet guns, air guns, stun guns and water guns. Halloween masks or anything that covers the face or alters a person's identity are strictly prohibited. Specialized medical equipment is allowed with prior approval from the Department of Housing and Residence Life. Additional furnishings brought into the room must be free standing and clear of all existing furniture, fixtures, or walls in the room. Please refer to the Housing Application/Contract and/or Guide to Residential Living for a complete list of approved and prohibited items permitted in the residence halls.

DAMAGE ASSESSMENT

The student is required to make payment to the University or to the other persons, groups, or organizations for damages incurred as a result of policy violations. If a resident is assessed a charge for residence hall damages or sanctions, students have 3-5 business days to appeal the charge. Appeals can be sent to the Director of Housing and Residence Life. Verification and/or documentation will be required in disputing charges. All Residence Life/Halls sanctions should be paid by the date indicated on the charge form. Payment for charges should be remitted to the Business Office at the cashier's window. You must submit a copy of the receipt to the Office of Housing and Residence Life for processing, provide a copy to the Resident Director and retain a copy for your files. Students failing to satisfy any outstanding fees or fines within the specified time frame can be denied on-campus housing and/or their housing contract cancelled immediately. Individuals will be held financially responsible for the full terms of their housing contract regardless of possible denial of housing privileges because of indebtedness and/or disciplinary matters.

ELECTRICAL EQUIPMENT

The residential facilities have limited electrical systems. Overloading these systems presents fire and safety hazards. Due to the current residential room electrical configuration, a maximum of 8 amps should be used per electrical outlet in a student room. Use surge protectors/power strips for all electronics, particular computers, gaming systems, television, DVD players, stereo equipment, and clock radios. Lightweight extension cords and multiple outlet plugs without surge protectors create a safety hazard and are prohibited. Any deviation from this practice can result in the student being fined for a safety infraction. Residence Life staff reserve the right to request the removal or to confiscate any contraband items that do not conform to hall regulations. Housing and Residence Life will not be held responsible for damages to confiscated equipment.

FIRE AND LIFE SAFETY

Fire prevention and safety are of paramount importance in the residence halls. For reasons of safety, smoking in the rooms, burning candles or incense, tampering with smoke detectors or other building safety devices are prohibited.

The residence hall sprinkler systems are very sensitive. Under no circumstances should you touch or hang items such as hangers on the sprinkler heads. This may activate the sprinkler system, which will result in severe water damage to the room, your belongings and possibly other sections of the residence halls. Please be advised that you will be held financially responsible for any damages and cleaning charges resulting from unauthorized activation of the sprinkler system and subject to serious judicial action.

Residents are also required to respond and react to all building alarms (i.e. fire alarms, fire drills and other emergency notices). Students failing to properly respond and/or react to building alarms may be fined, sanctioned and/or have their housing contracts cancelled.

HEALTH AND SAFETY INSPECTIONS

For your safety, a Housing and Residence Hall staff member conducts health and safety inspections of the residence halls. Health and Safety Inspections will be conducted with at least 24 hours advance notice to the residents. Emergency, impromptu Health and Safety inspection maybe conducted by a staff member of Residence Life or an University official in instances that an individual is believed to be hurt, injured or being detained against their will or, there is believed to be a condition existing in the room that might damage the room, building, furniture and/or fixtures. Residents may be fined or subject to disciplinary action for violations of housing regulations and campus policies.

SMOKING

Smoking is prohibited in all Fayetteville State University buildings. This prohibition applies to all indoor air space including all residence hall rooms and common areas, private faculty and administrative offices and dining facilities. It is the responsibility of all faculty, staff and students to observe and enforce the nonsmoking policy. To implement and enforce this policy, common courtesy and consideration towards others should be exercised. Smoking is permitted only in designated areas outside the halls. The smoking of clove, cigarettes and cigars is prohibited.

HALL SECURITY KEYS

The main exterior doors to all of the residence halls are locked 24 hours a day. Residents are issued a hall key or access card at check-in so they may access their hall. Keys or access cards are never to be shared with roommates or friends. Residents should make sure all entrance/exit doors are completely closed and locked once they transit through. You should never allow someone to follow you into your hall without properly accessing the building in accordance with procedures as stipulated by the Department of Residence Life.

LOST/STOLEN KEYS OR ACCESS CARDS

In the interest of your personal safety, it is the policy of Housing and Residence Life to re-key student rooms at the student's expense if the room key is determined to be lost or stolen. If you lose your room key or access card, report it immediately to your Resident Director or other hall staff. The cost of a lock change and new keys (or cards), varies. If you believe your keys or access cards have been stolen, contact the University Police to complete a police report. You are responsible for the cost of re-keying your room even if your keys are stolen.

Students will be granted a one-time courtesy access per semester to their room if their access card/room key is temporarily misplaced and the request is made during normal Residence Hall duty hours. Any subsequent request, after the initial courtesy, or after hours request will carry a \$10.00 access fee charge.

PERSONAL OR PROPERTY DAMAGE

The University assumes no liability, responsibility or legal obligation to pay for injury or the loss or damage of personal property, which occurs in its buildings or on its grounds. This includes damages and/or loss of personal property caused by fire, water, theft, flooding and etc. **Students and/or their guardians are strongly encouraged to carry appropriate insurance to cover any potential loss.** You are encouraged to check any home

insurance policies which you or your guardian may have to see if the coverage extends to you while residing in on-campus housing. If not, it is suggested that you investigate and purchase the appropriate property insurance to cover you will living on campus. Your Residence Hall Director or the Residence Life Office might be able to provide you with additional information about personal property insurance.

TELEPHONE SERVICES

There is at least one office or public phone in each residential building for student use. Some facilities have phone lines in student rooms. These public phones are for local calls, campus directory calling and emergency 911 calls only. The University accepts no responsibility for long-distance arrangements, billing or information. The residence halls telephone system is a non-billing system which does not allow students to charge calls or other telephone services. Students are held responsible for adhering to all applicable federal and state laws and regulations governing telephone service.

The University reserves the right to publish telephone numbers for use by University students, faculty and staff members. The University reserves the right to make changes in telephone service regulations and charges without prior notice, although efforts will be made to publicize such changes.

Students are prohibited from abusing the provided phone service. WHAT “OFFICIALLY RECOGNIZED MEANS?”

Officially recognized organizations may request the use of specified University facilities, property, services, or equipment pursuant to the Facilities Use Policy. These organizations may use the University’s name in their titles, so long as sponsorship or endorsement by the University is not implied or stated. These organizations may apply for funding from the Student Government Association and may obtain assistance from the Division of Student Affairs, including leadership training, educational workshops, general organizational advising, major event planning, publicity, and reference materials. It is critical to note that official recognition does not mean that the University endorses the viewpoints of the organization and tax-exempt status is not extended when organizations receive recognition. It is also critical to note that the University does not interfere with how student organizations function, only that they need to meet certain standards if they wish to access these facilities, property, services, or equipment. **For the purpose of this Student Handbook, the term “organization” is used to refer to any club, organization, society, group, or association seeking to obtain official recognition status.**

UNRECOGNIZED CLUBS AND ORGANIZATION

BRONCO ADVANTAGE

Bronco Advantage (collegiatelink) is Fayetteville State University's designated e-portal for club and organization information, event requests, and communication. All organizations are required to maintain their Bronco Advantage page as their official web page and may not have alternate web page substitutes unless approved by the University. However, clubs may maintain social media accounts provided those accounts are linked to Bronco Advantage and the University (Office of Public Relations) is notified of the account.

All clubs are required to have a constitution, by-laws and/or operating procedures. Any organization that charges for services must provide a clear price list. These documents must be current within two years (24 months). All clubs must maintain their club roster. This roster should be updated each semester and proof of membership maintained. Each club is required at a minimum to list the Advisor and President of club on the roster publicly.

All Bronco Advantage pages must adhere to the University policy regarding *Acceptable Use of Computing Resources* and follow ADA compliance guidelines.

FINANCIAL ACCOUNTS

University-sponsored organizations: University-sponsored operating under Fayetteville State University's name or Tax ID Number may NOT have off-campus bank accounts.

University-affiliated organizations: University affiliated organizations may not use FSU's Tax ID number. The University does not sponsor nor endorse activities associated by University affiliated organizations. University affiliated organizations may not represent or imply that they speak in the name of the University, and University affiliation does not imply that the organization is tax-exempt.

NON-DISCRIMINATION POLICY

Fayetteville State University is committed to equality of educational opportunity and employment and does not discriminate against applicants, students, or employees based on race, color, national origin, religion, sex, gender identity, sexual orientation, age, disability, genetic information or veteran status. Moreover, Fayetteville State University values diversity and actively seeks to recruit talented students, faculty, and staff from diverse backgrounds. Any individual with a concern, grievance or complaint of discrimination or retaliation should utilize the University's policies listed above or the applicable employment related grievance procedures for faculty and EPA non-faculty employees.

Membership and participation in an organization must be open to all students enrolled at the University without regard to race, color, national origin, religion, sex, gender identity, sexual orientation, age, disability, genetic information or veteran status, unless permitted by law. (Students who are currently early college students are not eligible for membership or participation in any University student organization).

Student groups that select their members on the basis of commitment to a set of beliefs (e.g., religious or political beliefs) may limit membership and participation in the group to students who, upon individual inquiry, affirm that they support the group's goals and agree with its beliefs, so long as no student is excluded from membership or participation on the basis of his or her age, race, color, national origin, disability, religious status or historic religious affiliation, military veteran status, sexual orientation, or gender identity, unless exempt under Title IX.

USE OF FACILITIES FOR RECOGNIZED ORGANIZATIONS

Only student organizations that are officially recognized by the University through the Office of Student Engagement may use University facilities, property, services, or equipment pursuant to University policy. There are two reasons for this requirement. First, the University wishes to make it clearly known that all student organizations using University

facilities are to be open for full membership and participation by any enrolled student without regard to race, color, national origin, religion, sex, gender identity, sexual orientation, age, disability, genetic information or veteran status unless permitted by law. Second, the University wishes to have sufficient information concerning groups making use of state owned facilities to ensure that such use is lawful and consistent with University policies. The requirements and privileges appear below.

RESERVING CAMPUS SPACE THROUGH BRONCO ADVANTAGE

All recognized organizations are required to submit official club events (meetings, programs, etc.) through Bronco Advantage. Any program or event planned in the name of the club or organization must be submitted through Bronco Advantage by a representative of the club (Advisor, President, etc.) and may not be submitted through the FSU Calendar program ASTRA. Events submitted on Bronco Advantage will be reviewed and approved/denied by a University representative. Any events submitted through other means will be denied.

The Bronco Advantage event request constitutes a facility request ONLY and does not constitute approval. Organizations will receive separate notification of approval. Refreshments, equipment, sound, power, etc. must be requested separately (see Programming). Additionally, some facilities may require approval from the building manager before the re-quest for usage may be approved. Students should keep this in mind when attempting to reserve space on campus, as this additional step can extend the approval process. Buildings that may require approval from the building manager include, but are not limited to, Capel Arena, Lilly Gym, Rosenthal Building, Rudolph Jones Student Center, and the Seabrook Auditorium.

Note that outdoor space may be used spontaneously by any student in accordance with FSU's Freedom of Speech and Expression Policy and FSU's Use of Space Policy: <https://www.uncfosu.edu/faculty-and-staff/departments-and-offices/office-of-legal-affairs/>.

Students and organizations should adhere to FSU's Use of Space Policy which is located at <https://www.uncfosu.edu/faculty-and-staff/departments-and-offices/office-of-legal-affairs/policies-and-procedures>.

CLEAN UP & DAMAGES

For any program or event, the organization that is sponsoring the event is responsible for cleaning the facilities and the surrounding areas as well as any damages that occur. It is highly recommended that sponsors conduct a review of the facility prior to the event to establish both the overall condition of the facility and the expectations for the condition of the facility at the conclusion of the event. For more information contact the Office of Student Engagement (910) 672-1166).

PROGRAM AND EVENT PLANNING

The purpose of this section is to define the procedures whereby recognized student organizations will be permitted to hold events on the campus of Fayetteville State University. Recognized student organizations may host events and meetings by reserving space according to the University's policy. Visit the University's policy website to obtain more information about renting facilities. A "major event" is defined as the use of an area or facility for a dance, concert, conference, fashion/modeling show, or other activity/program where the expected attendance is 100 or more. All major events MUST BE APPROVED by the Division of Student Affairs at least 30 days in advance.

TERMINATION OF MAJOR EVENTS

The University reserves the right to terminate any major event at such time as the terms of approval are not met or noise or other problems that may create a continuing nuisance. If a decision is made to terminate the event, the student liaison from the sponsoring organization is responsible for making sure that the music stops (if applicable,) an announcement is made asking the crowd to disperse, or other action is taken to resolve the problem.

POLICE, CROWD CONTROL, & FIRE CODE REQUIREMENTS FOR MAJOR EVENTS

FSU Campus Police MUST provide security and traffic/crowd control for all major events. Please be advised that the number of officers needed to secure an event will be determined by the FSU Chief of Police, depending on the event type and number in attendees. Organizations will bear all costs associated with securing the necessary number of police officers at an event. The number in attendance at an event may not exceed the mandated fire code capacity for the location where the event is to occur. All exits are to be kept clear of people, furniture, and other obstructions to allow for normal and emergency exits and entries. Students have the responsibility of planning, organizing, and implementing events while ensuring and respecting the rights, privacy and safety of members of the campus community. Guests also bear responsibility of the same.

USE OF UNIVERSITY'S NAME FOR MAJOR EVENTS

The University neither sponsors nor endorses major events or the contracts associated with events sponsored by University-affiliated organizations. Therefore, the University's name may NOT be used in a manner that represents or suggests University sponsorship of the events. This policy does not apply to University-sponsored organizations.

EVENTS BY ALUMNI GROUPS

Events hosted by alumni groups should contact University Alumni Relations at (910) 672-1287 for instructions about how to host events.

DRUG AND ALCOHOL PROHIBITED AT EVENTS

There should be NO alcohol at any event sponsored by a student organization. Event sponsors should not advertise events that indicate that alcoholic beverages are free, are sold, or are all-you-can drink for the price of admission or that otherwise appear to encourage drinking. Fayetteville State University policy follows guidelines set out by the Federal *Drug Free Schools and Communities Act*. Students and employees of the University are responsible, as citizens, for knowing about and complying with the provisions of North Carolina law that make it a crime to possess, sell, deliver, or manufacture those drugs designated collectively as "controlled substances" contained in Article 5 of Chapter 90 of the North Carolina General Statutes (NCGS). The University will initiate its own disciplinary proceeding against any student or group when the alleged conduct is deemed to affect the interest of the University.

ENFORCEMENT OF UNIVERSITY POLICY AT SPONSORED EVENTS

Any organization sponsoring an event is responsible for enforcing all guidelines for major

events and ensuring that other University policies or state/federal laws are not violated. Violations of these policies could result in disciplinary action. Any organization that sponsors an event is responsible for the actions of those in attendance. Any organization that sponsors an event will be held responsible and appropriately billed for any damages incurred to the facility where the event was held and to other locations that were designated as areas for which the event sponsors were responsible, such as bathrooms or lobbies.

ACCESSIBILITY

Every officially recognized student organization must agree to be open to full membership and participation by students with disabilities through accessible programming and facilities. Accessible programming includes, but is not limited to, physical location, alternative printed materials and web pages, and communications (e.g. sign language interpreters).

CAMPUS COOKOUT PROCEDURE

The following cook-out procedures/rules are designed to allow students to enjoy social opportunities and assume responsibility for their own social events while at the same time ensuring safety and adherence to fire codes and insurance regulations. Prior approval for campus cookouts is required by the Astra Administrator.

- 1) Cook-outs will be permitted throughout the campus, provided they are 75 feet from any structure.
- 2) No alcoholic beverages allowed.
- 3) Clean-up must be completed promptly at the completion of the cook-out. All fire and ashes must be completely extinguished and properly disposed of before leaving the cook-out area.
- 4) Music, if any, should be at a volume which will not disturb others.

All cooking activity must be completed by dark.

(Nothing in this Campus Cook-Out Policy shall abridge the responsibility to obtain approval through FSU's facilities/grounds rental procedures. Any person or group desiring to host a cook-out must follow FSU policies and procedures for facilities/grounds rental).

FILM, DVD, & DIGITAL VIDEO PROGRAMS/EVENTS

Because of copyright and exhibition licenses, student organizations **CANNOT** show a film, DVD, or video without making the necessary arrangements with the motion picture industry. The public streaming/showing of any film/movie/motion picture, without a copyright license, is against the law. No license is required to stream or view inside your room. Usually, the actual process to obtain copyright permission is simple but extremely critical. The Office of Student Engagement may provide information, (910) 672-1166.

FOOD, DINING SERVICES, & CATERING

Sales or distribution of food must meet the requirements outlined by University Business Services at (910) 672-2278 and the Cumberland County Health Department. All food that is served or sold should either be pre-packaged or prepared by a licensed caterer. Student organizations must comply with all policies and procedures and will be held liable if any problems develop. Additionally, necessary arrangements must be made for disposing of leftover food and related food trash items.

FUNDRAISING

University Solicitation Policy (*Exceptions to the Solicitation Policy may be granted to officially recognized student organizations by the Vice Chancellor for Institutional Advancement. Student organizations must submit request in writing and receive approval at 30 days in advance of fundraising. For more information: (910) 672-1661).

No person (including students, faculty, and staff), an organization or agency shall solicit, conduct business or raise funds in the areas on the Fayetteville State University campus (including residence halls). Solicitation shall be defined as any effort to sell goods or services or to raise money on behalf of any company, club, society, religious organization, political party, or similar organization and/or the distribution of any materials such as leaflets or flyers for those organizations.

Exceptions to this policy include:

1. Providers of academic program materials, texts, or supplies who have the written approval of the Provost and Vice Chancellor for Academic Affairs;
2. Representatives of the business community who have been invited or approved by the Associate Vice Chancellor for Human Resources for the purpose of promoting an employee benefits plan;
3. Solicitations made on behalf of the State Employees Combined Campaign (SECC) or other 501(c)(3) charities approved by the Chancellor; and,

RAFFLES

University-sponsored organizations are prohibited from conducting raffles. Other non-profit student organizations or associations (including Greek-lettered organizations and social fellowships) may conduct raffles provided that these raffles are conducted in compliance with FSU raffle policy & with North Carolina General Statute section 14-309.15.A. A student group/organization is not automatically a nonprofit entity, nor does it fit under the umbrella of the University's nonprofit status. There are separate filing requirements to become a non-profit entity. Failure to comply with the statutory requirements for a raffle is a misdemeanor offense. The requirements are as follows:

1. The organization must be recognized by the North Carolina Department of Revenue as tax-exempt. This can be accomplished provided the organization's constitution and/or bylaws state: (a) the organization's purpose, (b) that no part of the net earnings of the organization or association shall inure to the benefit or, be distributable to its members,

officers, or other persons, and (c) that upon dissolution, the assets of the student organization shall be turned over to one or more organizations which are similarly exempt as non-profit.

2. Once approved by the NC Secretary of State as being recognized as a nonprofit organization, the NCDOR will contact the entity to request the additional information necessary for tax-exempt status: a copy of the approval from the NC Secretary of State, a copy of the bylaws, information on how money will be raised, the type of nonprofit entity it is and a request for some information as to what the entity does. This information must be sent to NCDOR, P.O. Box 25000, Raleigh, NC 27640.
3. Each student group is limited to two raffles per year.
4. The maximum cash prize offered or paid for any one raffle is \$5000.00 and, if merchandise is used as a prize, the maximum fair market value of that prize may be \$25,000.00. No real property may be offered as a prize in a raffle.
5. Raffles shall not be conducted in conjunction with Bingo.
6. No less than 90% of the net raffle proceeds, less the cost of the prizes awarded shall be used by the nonprofit organization for charitable, religious, educational, civic or other nonprofit purposes. No proceeds may be used to pay anyone to conduct the raffle or to rent a building where the tickets are received or sold or the drawing is conducted.
7. A raffle is a game in which the prize is won by the random drawing of a name or number of someone purchasing the chance.

This is general information about raffles and is not intended to be a substitute for legal advice as it relates to your particular situation. For more information about FSU's Raffle Policy visit.

BRAND IDENTITY GUIDELINES FOR FSU

The University's brand guidelines have been approved by the Chancellor and must be adhered to in the appearance of all communications (including print, electronic media, signs, apparel, etc.) that are produced with university funds and that represent FSU and any officially recognized student organization.

USE OF UNIVERSITY LOGO

The "lamp" logo is the primary identity mark for FSU and should be readily visible on

ALL printed material produced by officially recognized clubs and organizations: this includes fliers, brochures, programs, banners, business cards, etc. Organizations are NOT authorized to use the university seal. Additionally, organizations are prohibited from creating their own logos for branding purposes.

The width of the logo should never be smaller than 1.5 inches. If a smaller logo is required, contact the Office of Marketing and Special Events. The following guidelines should be closely followed in use of the logo:

1. Do not stretch, condense, or in any way alter the proportions of the logo.
2. Do not add, delete, or change any of the graphics or text contained within the logo.
3. Do not add a box, color, border, or rule either around or behind the logo. The exception is when overprinting or reversing the logo from an area of color that is considered an integral part of the publication's design.
4. Do not screen or repeat the logo in a pattern or background.

The logo may not be used as a graphic or illustration.

APPROVAL OF FSU BRAND IDENTITY (REQUIRED)

All university layout and design projects are required by university operational policy to be reviewed by the Office of Marketing and Special Events prior to any print or subsequent distribution. The Office of Marketing will review all layouts for brand, identity adherence, and quality of layout. Internal layouts may be submitted directly to the Director of Marketing and Special Events either via email attachment or a hard copy submission. A review decision will follow. If the layout is a print project that requires expenditure, the approval process will take place at the point of requisition, and no requisition can be approved without the review of accompanying layout.

Approval for print or follow up is given if the layout is found to be in compliance by meeting the standards of FSU Graphic Identity Guide publication. The automated requisition process will stop at this point until the Office of Marketing has reviewed and given approval. This review is for layout quality and brand identity, primarily. Copy will be reviewed by the Marketing office, but it is the responsibility of the submitting entity to perform final copy proofing to ensure an error-free and quality product. This review decision is required to be kept by the submitting department to validate the print/purchase request or for any further use of these layouts. The university Print Shop is NOT authorized to print any layout without the signed approval of the Office of Marketing and Special Events. For more information contact 910.672.2140.

BANNERS

Banner use is allowed on campus by recognized student organizations provided the event has been approved by the University (see Section 3, Bronco Advantage and the Bronco Advantage information in this section). Oversized banners, banners that overwhelm buildings, banners that are placed in an area considered hazardous, or those that cover doors or windows are not permitted under any circumstances. ALL BANNERS must be hung by Facilities carpenters or Structural maintenance staff only. In order to request this, please contact University Facilities at 910 672 1431. All requests must be submitted at least twenty (20) business days in advance.

BULLETIN BOARDS, FLIERS & POSTERS

Students may post fliers and posters on bulletin boards and other designated areas within buildings. Chalking of sidewalks is not permitted.

No cupping of fences is allowed by any organization or individual under any circumstances.

Rentals are based on mailbox availability and approved on a first come-first served basis.

STUDENT HEALTH SERVICES

The mission of Student Health Services is to provide quality, cost effective health care and health educational services that will assist students in their environment for better physical, emotional, and social well-being. Student Health Services is located in the Spaulding Building. All currently enrolled students are eligible for health care. Treatment of minor illnesses and minor injuries are provided. Students needing referrals for specialized services are referred to local area clinics and hospitals. Upon referral, the student is responsible for all charges not covered by their personal insurance plan and/or their Student Medical Insurance Plan.

In order to give satisfactory service to each student, the Student Health Services' staff desires the cooperation of each student in adhering to Student Health Policies. ALL students who have a medical problem or question are invited to consult the Student Health Services' staff. On each visit to Student Health Services, a valid Fayetteville State University Identification Card must be presented prior to treatment and/or services.

A nurse is always on duty during hours of operation. Medical Provider hours for routine treatment are posted but may vary during summer sessions. The doors to the Student Health Services are locked after 5 pm for security purposes. After hours, for non-life threatening issues, students can contact Health Line Blue at 1-877-477-2424. If experiencing a life threatening emergency, students should contact 911, Campus Police, or the Residence Hall Advisor/Director.

IMMUNIZATIONS

Fayetteville State University and North Carolina State Statute, G. S. 130A-155.1, require that all new readmitted and transfer students taking more than four hours on campus before 5:00 p.m. on weekdays, and all students applying for admission to the Teacher Education Program complete the medical/immunization requirements. The required immunizations form is included in the admission packet sent to all new and readmitted students. These forms are also available in the Spaulding Building.

All medical/immunization records should be mailed directly to Student Health Services. The immunization record must be physician-certified or verified by a clinic stamp. A physician or healthcare provider must verify any medical exemption from the immunization requirement on the Medical Exemption Statement form (DHHS 3987). All medical information is confidential and is not divulged without the written consent of the student.

According to G.S. 130A-155.1, if a person has a bona fide religious belief against immunization, the person will be exempt from immunization requirements upon their submission of a written statement of the bona fide religious belief and opposition to immunity.

After the University provides notice and time to obtain immunization to a student as required by G.S. 130A-155.1, the University must withdraw all students who do not provide the necessary immunization records. This administrative withdrawal can result in loss of grades and/or academic credit.

Students who are exempt from the immunization requirement only include the following:

- Students taking fewer than four credit hours

- Students attending evening classes only

- Students attending weekend classes only

- Students taking off-campus classes for the duration of their degree

All students must still complete the Student Health Services Form upon acceptance to the University.

INSURANCE

Students are required to carry the University's mandatory health insurance paid through tuition, UNLESS proof of other active health coverage is provided. Brochures describing all Student Insurance Plans are available online at www.bcbsnc.com/fsu.

The premium for the Student Accident & Sickness Insurance Plan is included in each student's semester bill. Undergraduate and graduate students who do NOT wish to be enrolled in the Student Insurance Plan MUST present proof of personal insurance coverage online ONLY at www.bcbsnc.com/fsu. The deadline will be announced via email. Any student enrolled in the Student Insurance Plan may enroll their eligible dependents by contacting Blue Cross Blue Shield of North Carolina at www.bcbsnc.com/fsu. Students who receive full athletic scholarships are not allowed to waive their FSU Student Accident & Sickness Insurance Plan without the permission of their respective coach or the Athletic Director.

International students are insured under the University System plan. All International Students are required to contact Student Health Services for necessary information.

TRANSPORTATION

In emergency situations, the Emergency Medical System (911) will be activated for students who require it. The student will be responsible for charges or bills for EMS/ambulance services not covered by their medical insurance. Student Health Services is equipped to serve students in the Spaulding Building and cannot accommodate students in the residence halls or in classrooms. The Student Health Services' staff does not respond to medical calls outside of the facility. Students with ***OFF*** Campus appointments are responsible for arranging their own transportation and receiving a referral as needed from Student Health Services.

MEDICAL EXCUSES

Medical excuses are given only when the Medical Provider deems it medically necessary. An appointment with Student Health Services does not mandate a medical excuse. Medical excuses are not issued for missed class time. Therefore, students are strongly encouraged not to schedule appointments during class time.

CAREER SERVICES

The office promotes the career development and related career planning skills of FSU students and alumni to provide access to experiential learning and employment opportunities so students may identify career choices and nurture career goals. The Center staff engages in active outreach to students, alumni, employers and faculty. Guided by the philosophy that career development is a lifelong process of exploration and decision-making, the staff also delivers programs and services designed to enrich the total development of students and alumni. Students are introduced to the Office of Career Services during their University College seminar courses during the first semester and are introduced to the four year career plan.

COOPERATIVE EDUCATION AND INTERNSHIP PROGRAMS

FSU recognizes the value of integrating on-the-job work experience with classroom learning. Students are encouraged to seek out internships and job opportunities that will assist them in their academic and career decision-making. Students are encouraged to seek advice from faculty, academic advisors and career advisors in order to determine if co-ops, internships or service learning is appropriate for their degree or certificate program. Lists of past co-ops and internships are on file in the Office of Career Services, RJSC Room 223.

JOB LOCATION AND DEVELOPMENT PROGRAM

The Job Location and Development Program assist students with off-campus part-time job placements. Listings of part-time jobs are filed by area businesses and industries. Students interested in obtaining employment must register with the Office of Career Services. The Job Location and Development Program offers workshops for students in the area of career/professional development that will be of benefit throughout the student's professional life.

DIVISION OF ACADEMIC AFFAIRS

In support of FSU's mission to promote the "educational, social, cultural, and economic transformation of southeastern North Carolina and beyond," the Division of Academic Affairs provides high quality academic programs, instruction, and services that challenge and support high standards of student achievement and prepare graduates for professional and

personal success. The division supports faculty and staff development programs that promote professional growth fulfillment of the university's mission. The division offers a wide array of activities that serve the region and requires transparency and fiscal responsibility from all units within Academic Affairs. For more information visit <http://www.uncfSU.edu/acadaff/index.htm>.

OFFICE OF THE PROVOST AND VICE CHANCELLOR FOR ACADEMIC AFFAIRS

Matters pertaining to academic life are the responsibility of the Division of Academic Affairs and include such functions as: academic advisement, registration and academic records, library, student academic appeals, certification and recommendation of candidates for degrees, financial aid, student support services, and continuing education. The Office is located in the Carlton J. Barber Administration Building Suite 223.

SPECIAL ACADEMIC REQUESTS

Students should contact the Office of Registrar, 300 Lilly Building for academic inquiries/requests related to suspension and probation, withdrawals, academic fresh start, grade appeal, registration, and other special requests.

MAKING THE GRADE

Students must achieve satisfactory academic progress (SAP) each semester to re-enroll in the next semester and receive financial aid as specified below. Satisfactory academic progress is based on four factors: GPA (grade point average) and MEH (minimum earned hours - the ratio of earned to attempted hours).

Students must maintain a cumulative GPA of at least 2.0 to remain in good academic standing. The first semester a student's GPA is below 2.0, he/she is placed on academic probation.

In addition to maintaining a GPA of at least 2.0, students must earn at least 67% of their attempted hours to remain eligible for financial aid. Students who earn less than 67% of their attempted hours will be ineligible for financial aid even if their cumulative GPA is 2.0 or higher. Students may appeal financial aid ineligibility.

Students who do not meet these GPA and MEH requirements at the end of the fall or spring semester will be placed on academic probation, but will be permitted to enroll in the following semester to improve their academic status. Also, students on academic probation are limited to 14 credit hours and must complete an Academic Success Plan with their advisor.

Students whose cumulative GPA is below 2.0 for two consecutive semesters will be placed on academic suspension. They will not be permitted to enroll for the following semester unless they successfully appeal. Similarly, students who fall below both the GPA and MEH requirements for a 2nd consecutive semester will be placed on academic suspension. The student is ineligible for continuous enrollment and financial aid without successfully appealing the suspension or without the student participating in Academic Fresh Start. (See "Appeal Procedures" in the FSU Undergraduate Catalog.)

Students may not be eligible for financial aid if their attempted hours exceed 180.

The FSU Undergraduate Catalog has more information about academic progress, financial aid eligibility, and appeals.

DISHONESTY IN ACADEMIC AFFAIRS

Acts of dishonesty in any work constitute academic misconduct. Such acts include cheating,

plagiarism, misrepresentation, fabrication of information, and abetting any of the above. Plagiarism in particular presents pitfalls to be avoided: failure to document any words, ideas, or other contributions that do not originate with the author constitutes plagiarism. Widespread use of the World Wide Web (Internet) requires particular attention to proper documentation practices. Individual course syllabi offer additional clarification about requirements for proper documentation. Actions outlined in the Fayetteville State University Student Handbook under Disciplinary System and Procedures will be followed for incidents of academic misconduct. The handbook may be obtained from the Office of Student Affairs located in the Collins Administration Building. The Student Handbook is also available online at <http://www.uncfsu.edu/handbook/>.

Non-disclosure or misrepresentation on applications and other university records will make students liable for disciplinary action, including possible expulsion from the university.

ACADEMIC ADVISORS

All students are assigned an advisor with whom they must consult in planning their academic programs, registering for classes, and making other decisions regarding their academic progression. Although students are expected to consult advisors on a regular basis, students bear final responsibility for the decisions they make.

Advisors are assigned to students according to the following guidelines:

1. University College advisors serve as advisors for first year and other undeclared students, including transfer students with fewer than 30 transfer credits as well as students beyond their freshman year but who are undecided about a major.
2. Department chairs assign an advisor to each student admitted to a major. Students may request an advisor or change an assigned advisor by contacting the appropriate department chair.

To facilitate effective advisement and degree completion, students are required to take the following steps:

1. Students are required to check their FSU email on a regular basis to receive notifications about upcoming events and deadlines and information from academic advisors.
2. Students must communicate with the officially assigned advisor at least two times each semester to review the student's progress toward degree completion. Students are responsible for initiating this communication in person or by phone or FSU email.
3. Students whose GPAs falls below 2.0 are required to meet with their advisor to complete an Academic Success Plan and take all actions agreed upon with advisors.
4. Students must use CAPP (Curriculum Advising and Program Planning) to run their degree audit and to develop a plan for degree completion according to the following guidelines.
5. **No later than the first semester of the junior year (60 – 75 earned hours)**, a student must submit a plan for degree completion to his or her advisor.
6. **Students are eligible to apply for graduation** once they are two semesters from completing all degree requirements. Their CAPP printout must be attached to the Application for Graduation.
7. Students must remain aware of and make decisions consistent with university policies, deadlines, and degree requirements as stated in the catalog, the FSU website, and other official documents.

8. Students must recognize that failure to follow the steps outlined above will delay their graduation.

To facilitate their advisees' degree completion, Academic Advisors must take the following steps:

1. Advisors will be available during published office hours and at other times by appointment to assist advisees in completing the student responsibilities outlined above.
2. Advisors will provide accurate information in a timely manner. Advisors will usually respond to student inquiries within two business days. When advisors are not available (i.e., summer or other extended leave), they will arrange for back-up.
3. Advisors will help students understand their responsibilities, as outlined above, in the advisement process.
4. Advisors will direct students to appropriate university resources for assistance as needed. For students whose GPA falls below 2.0, advisors will work with the student to develop an Academic Success Plan and monitor students implementation of the plan.
5. Advisors will approve students' CAPP (Curriculum Advising and Program Planning) degree audits based on degree requirements and university policies.
6. Advisors will respect advisees as individuals with different backgrounds and educational/life goals.
7. Advisors will respect the confidentiality of information shared by advisees and protect the privacy of students as defined by the Family Educational Rights and Privacy Act (FERPA).
8. Advisors are responsible for maintaining accurate records of meetings with advisees.
9. Advisors must recognize that failure to complete the responsibilities outlined here will likely delay a student's graduation.

HONORS PROGRAM

The FSU Honors Program, housed in Hackley Honors Hall, is a component of the FSU Global Scholars Community that provides enhanced educational opportunities for high-ability students and offers opportunities for academically distinctive, intellectually challenging and engaging students to pursue a rigorous curriculum of honors courses in the major. The program also provides opportunities for students to obtain leadership skills through service learning in various academic communities. To apply to the current Honors Program, or Honors in the Major (HIM), students must have earned at least 12 hours in the first semester at FSU and have achieved a cumulative GPA of 3.2 or higher. In addition, the program emphasizes upper-division courses in the student's major. Moreover, each honors student is required to complete an honors seminar through a learning-community course or service-learning project where students apply what they are learning in their classes to a real-world situation. Applications are accepted only in the spring semester for admission in the subsequent fall semester. Transfer students with no more than 60 semester hours are also eligible to apply.

There are several benefits of HIM. Honors students enroll in major classes for honors credit (18 hours). These students complete additional assignments in regular classes based

upon a contract approved by the major faculty and the Honors director. Other benefits include priority registration; working and living together with a Global Scholars Community; having “Honors Program or Global Scholars Community” designated on the transcript; receiving special announcement at Commencement; receiving an Honors medallion; participating in service-learning activities; working one-on-one with professors in the major field; enrolling in challenging and engaging courses; and applying for the Study Abroad experience.

OFFICE OF THE REGISTRAR

The Office of the Registrar is located at 300 Lilly Building. This office is responsible for student information updates, verification of enrollment/degree requests, transcript requests, and graduation information.

STUDENT RIGHTS REGARDING EDUCATION RECORDS (FERPA ANNUAL NOTICE)

The Family Educational Rights and Privacy Act of 1974 (aka the “Buckley Amendment” or “FERPA”), guarantees certain rights to university students regarding education records. Fayetteville State University (“FSU”) adheres to those statutory rights and has implemented a policy in order to comply. Specifically, students are afforded the following rights with respect to their educational records:

- A. The right to inspect and review the student’s education records;
- B. The right to consent to disclosure of the student’s education records to third parties, except to the extent that FERPA authorizes disclosure without consent;
- C. The right to request amendment of the student’s education records to ensure that they are not inaccurate, misleading or otherwise in violation of the student’s privacy rights;
- D. The right to be notified annually of the student’s privacy rights under FERPA; and
- E. The right to file a complaint with the U.S. Department of Education concerning alleged failures by FSU to comply with the requirements of FERPA.

For a more detailed discussion of the student’s FERPA rights and FSU’s policy, visit the University’s policy website at

http://www.uncfsu.edu/policy/students/Student_Education_Records-FERPA.pdf.

The detailed policy on the University policy website describes (1) the situations when records may be disclosed without the consent of the student, (2) the procedures that should be followed when a student desires to review an education record or request an amendment of an education record, and (3) the information the University may disclose as directory information.

CONSENT TO DISCLOSURE OF EDUCATIONAL RECORDS

FSU may disclose information from a student’s education record to third parties with the written consent of the student. To obtain a copy of a consent form, visit http://www.uncfsu.edu/chancellor/legal_counsel/Forms/Release_of_Confidential_Information_Consent_Form.pdf.

RELEASE OF DIRECTORY INFORMATION

For the convenience of students, parents, other members of the university community and the general public, FSU may make available, upon request, directory information about its students.

In compliance with the Family Educational Rights and Privacy Act (P.L.93-380), the university may continue to release the following types of information: a student’s name, local and permanent address, photograph, email address, telephone number, enrollment status (undergraduate, graduate, full-time or part-time), date and place of birth, major field of study, dates of attendance, honors, degrees and awards (including scholarships) received, participation in officially recognized activities/organizations and sports, weight and height of members of athletic teams, and the most recent previous educational agency or institution attended.

Students who desire that the university not disclose directory information must make their written request to the Office of the Registrar during their enrollment. Detailed information can be obtained online at http://www.uncfsu.edu/chancellor/legal_counsel/Forms/Release_of_Confidential_Information_Consent_Form.pdf

GRADES

Final grades are based on a four-point system. When all course requirements have been completed at the end of a semester or summer session, students are assigned a letter grade for each course in which they have been officially enrolled. Grades assigned represent the quality of work the students have completed during the semester or term, and, therefore, should be accurate indications of the degree of mastery in the courses taken.

W/WU/WUA - These grades carry no credits earned and no quality points earned in the computation of the GPA, but are added to the “Credit Hours Attempted.”

GRADE POINT AVERAGE (GPA)

Your grade point average (GPA) is calculated by dividing the total number of quality points by the total number of credits earned. Specifically, “Total Quality Points” are computed by multiplying the grade by the number of credit hours earned (GPA hours) for each course, and then adding the quality points. “Total Credit Hours Earned (GPA Hours)” refer to the credit hour(s) for courses in which a student earned a final letter grade of A, B, C, D, or F. Withdrawals from the university and incompletes do not affect a student’s GPA hours; however, courses with a grade of F and/or FN are calculated into the GPA. Letter grades are assigned the following grade point values:

- A = 4
- B = 3
- C = 2
- D = 1
- F = 0

The following example demonstrates the calculation of the GPA:

Course	Grade	Credit Hours	Credit Hours Earned (GPA Hours)	Quality Points
ENGL 110	B (3)	3	3	3 X 3 = 9
UNIV 202	C (2)	1	1	1 X 2 = 2
MATH 131	A (4)	3	3	3 X 4 = 12
HEED 112	B (3)	2	2	2 X 3 = 6
NSCI 110	B (3)	4	4	4 X 3 = 12
<u>PHIL 110</u>	<u>F (0)</u>	<u>3</u>	<u>3</u>	<u>0 X 3 = 0</u>
TOTALS			16	41

A student's career or cumulative GPA is calculated by dividing the total number of quality points earned by the total number of course credit hours earned (GPA hours) in all of the semesters of the student's enrollment.

RECEIVING GRADES

The Office of the Registrar does not provide paper copies of grades. Students must gain access to term grades using the Banner Self-Service system. Grade information is accessed using the Student ID Number and Personal Identification Number (PIN). Please keep in mind that instructors have 48 hours after the final examination to submit grades using Faculty Banner Self-Service.

WITHDRAWAL FROM THE UNIVERSITY

Students desiring to withdraw from FSU at any time after registration must make a formal application to the Center for Personal Development located in the Spaulding Building, Room 155. Students may withdraw from the university two weeks prior to the beginning of final exams. Failure to attend class does not constitute official withdrawal from the university. Students who do not complete the withdrawal process may earn Fs in their courses. Students who withdraw from the university are eligible to re-enroll for the next semester. (See the Official University Withdrawal Process for Undergraduate and Graduate Students later in this handbook.)

CHANGE OF NAME AND ADDRESSES

Students should notify the Office of the Registrar in writing of any change in name. Legal documentation is required for name changes.

Students can change their local address online via Banner. Permanent and billing addresses can be changed in person or by mailing a request to Office of the Registrar, 1200 Murchison Road, Fayetteville State University, Fayetteville, NC 28301.

TESTING SERVICES

University Testing Services is a full-service testing center that provides test administration services, scanning, and scoring of standardized and locally-developed tests, consultation, and general assessment services to the FSU community. Five general types of assessment programs are conducted through UTS: (1) national certification, admissions, and matriculation tests for graduate and undergraduate students; (2) interest and personality testing; (3) institutional performance evaluations (i.e., placement testing and rising junior testing); (4) survey evaluations; and (5) distance education testing. University Testing Services employees are all fully certified test center administrators (TCAs) who are committed to providing students and other test takers with quality and professional test administration services.

FSU offers a variety of national programs to meet student needs, including CLEP and Dantes tests, Graduate Record Examination (GRE), GMAT, PRAXIS, SAT, Law School Admission Test, Pharmacy Technician Certification Exam, Foreign Service Written Exam, Allied Health Profession Admission Test, Miller Analogies Test (MAT), Test of English as a Foreign Language (TOEFL), and many others.

We are open five days each week, Monday – Friday from 8:00 a.m. until 5:00 p.m. Week-end and evening hours are available by appointment. The Testing Center is located on the first floor of the Collins Administration Building in room 116. For more information, call (910) 672-1301.

OFFICIAL UNIVERSITY WITHDRAWAL (GRADUATE STUDENT) PROCESS

A student officially withdraws from attending all classes at the university by a process initiated in The Graduate School located in Suite 102, Continuing Education Building. The appropriate steps in the process are as follows:

Upon entering The Graduate School, the student will be asked to complete the top portion of the withdrawal form.

If the student is a graduate boarding student, a representative of The Graduate School will contact the Residence Life Office to determine if the student has completed all steps necessary to properly exit the residence hall.

The Graduate School also will contact the Financial Aid Office to determine if the student is a financial aid loan recipient and if he or she has received a Federal Perkins Loan. Based on the student's situation, the following actions will be taken:

- If the Financial Aid Office advises that the student does not have financial aid, he or she then will be directed to the Registrar's Office.
- If the Financial Aid Office indicates that the student has received loans through our institution or previous institutions, but no Federal Perkins Loan funds, the student will be directed to a Financial Aid counselor for processing. Once the student has completed all financial requirements, he or she will then be directed to Student Accounts to verify any other existing charges.
- If the Financial Aid Office indicates that the student has a Federal Perkins Loan, the student will be directed to the Federal Perkins area within the Business and Finance office. Once the appropriate Federal Perkins Loan documents are completed, a Federal Perkins Loan staff member will sign the withdrawal form and the student will then be directed to the Financial Aid office to complete the final exit form. Once the form is completed, a Financial Aid counselor will direct the student to Student Accounts to verify any other existing charges.

Upon receiving the withdrawal form from the Registrar's Office, that office will make the appropriate adjustment to the student's academic record.

If there are extreme emergency situations in which a student would be required to leave the institution immediately or not be able to return to the campus, that student will be required to call the Dean/Assistant Dean of The Graduate School within two (2) working days of the last date of attendance, and request special permission to process the withdrawal by mail. If permission is granted, the appropriate forms will be mailed to the student. The student must return the forms within ten (10) days from the postmark date the forms were mailed from the university.

The student will be required to submit a written justification along with the forms before they will be accepted by the university. All correspondence must be directed to the Dean of The Graduate School.

The university will not make any refund of tuition/fees or room and board charges until four (4) weeks after the student completes the official withdrawal process.

All refunds will be made by check. After the end of the official withdrawal period, which is ten (10) weeks for the Fall and Spring Semesters and four (4) weeks for the Summer Sessions, adjustments can be granted only if exceptional circumstances are documented. Also within the official withdrawal period, students may request an increased withdrawal adjustment if exceptional circumstances are documented. These requests are submitted with the appropriate documentation to the Vice Chancellor for Business and Finance. After an administrative review, the university will notify the student of its decision.

A student is not officially withdrawn from the university unless he/she has completed all steps of the withdrawal process. The official withdrawal date is the date the Registrar approves the form.

OFFICIAL UNIVERSITY WITHDRAWAL (UNDERGRADUATE) PROCESS

Before deciding to withdraw from the university, a student should consult with his or her advisor to discuss the reasons for the withdrawal and the student's plan for continuing his or her education. A student who wishes to withdraw from all classes must complete the official university withdrawal process, which is initiated in the university's Center for Personal Development, located in Room 155, Spaulding Infirmary. The appropriate steps in the process, after consulting with the Center for Personal Development, are as follows:

- Step 1: The student must attain the signature of the appropriate dean or designee of the school of his or her major. If the student is a freshman or has not declared a major, the student must attain the signature of the dean or designee of University College.
- Step 2: The student must attain the signature of a representative of the Bronco One Card Office for clearance.
- Step 3: The student must attain the signature of a Financial Aid counselor after loan exit processing and/or clearance.
- Step 4: The student must attain the signature of a Student Accounts representative and/or a Federal Perkins Loan representative within the Business and Finance office after clearance of any outstanding balances, if applicable, and completion of any financial obligations.
- Step 5: The student must attain the signature of the registrar or designee as the final step in the process. The official date of the official university withdrawal is the date the student initiated the process. It is the responsibility of the student to ensure the form reaches the Office of the Registrar within ten (10) calendar days. If not, the process must be reinitiated.

If the student leaves the university suddenly and is unable to return, the student must call the Center for Personal Development at (910) 672-1203 within two working days of the last day of attendance to request the withdrawal form by mail. Specific instructions will accompany this form that must be followed. It is only in very rare instances or extreme emergencies that a staff member of the Center for Personal Development will take the responsibility of completing the withdrawal process for a student. It is preferred that a family member or friend does this instead. If a family member or friend completes the process, the student must send written authorization with that person when they come to the Center and that person must bring a photo ID.

It is imperative that each student understands that although the form is requested by mail, all steps for completion must be followed. Upon receiving the completed form, it will be processed in an expedient manner.

Withdrawal Adjustment Schedule-Regular Semester

NOTE: Withdrawal from ALL classes

(Adjustment includes Room and Board)

REFUND/ADJUSTMENTS FOR INDIVIDUAL CLASSES

Tuition and fee adjustments will be made only for courses dropped during the university's designated drop/add periods. Absolutely no adjustments of tuition/fees will be made for any change in a student's class schedule after the end of the drop/add period. A student

may complete an individual class withdrawal form after the close of the drop/add period, but the completion of that withdrawal form will result in no adjustments whatsoever in the student's charges for that semester. The drop/add procedure is only for students enrolled in more than one class. Students enrolled in only one (1) class must go through the official university withdrawal process outlined in the previous section.

Refunds due to change in hours will be issued four (4) weeks after the official close of registration. In the event a class is canceled by the university, a full refund of tuition and fees will be granted.

ROOM/BOARD ADJUSTMENTS

No adjustment of room and board charges will be made for any student who remains at the university after the 10th week of the regular semester, except for housing changes (example: between halls, on/off campus).

FINANCIAL AID REFUNDS

A large percentage of students receive financial aid to assist in their education. Financial aid in excess of the applicable university tuition and fees, room, and board will be refunded to the student according to the schedule set each semester by the university.

INDEBTEDNESS TO THE UNIVERSITY

The university reserves the right to withhold your grades, transcript of credits, diploma and prohibit your participation in final examinations and commencement exercises. In addition, the university may assign your delinquent account to a collection agency and you will be ineligible for participation in the payment plan in subsequent semesters. Also a student who is indebted to the university will not be permitted to enroll in subsequent terms unless such indebtedness has been satisfied. A student who is delinquent in his/her payment of a student education loan is treated as one indebted to the university.

FINANCIAL AID

Fayetteville State University (FSU) seeks to assure that qualified students will not be denied the opportunity to attend the university due to a lack of financial resources. The FSU Office of Financial Aid offers a variety of funds and programs to meet the financial needs of students. All admitted and/or enrolled students who are making satisfactory academic progress in a degree or certificate program may be eligible to receive financial aid assistance. FSU uses the Free Application for Federal Student Aid (FAFSA) to determine a student's eligibility for financial aid funds. You may complete your FAFSA on the U.S. Department of Education's (USDE) website at: www.fafsa.ed.gov or on the Fayetteville State University's Financial Aid website: <http://finaid.uncfsu.edu/apply.htm>. All documents required to complete the financial aid process must be accurate and on file in the FSU Office of Financial Aid by March 1 to ensure timely fund packaging for award notification prior to the anticipated enrollment period. For additional financial aid information, please contact the Office of Financial Aid, located in the Lilly Building, First Floor, at (910) 672-1325.

LIBRARY

The Charles W. Chesnutt Library is named in honor of Charles Waddell Chesnutt, second principal of the Howard School (the genesis of Fayetteville State University) and the first successful African American novelist. The mission of the Chesnutt Library is to support the university by acquiring, organizing, and interpreting information resources. In addition, the Chesnutt Library assumes its special role as a major cultural resource for the community and region at-large.

The University ID card serves as the library borrowing card and allows students to have

access to services such as the laptop lending program and materials put on reserve by faculty members. Students receive instruction in the use of the library and are provided brochures which describe services, resources, rules and regulations governing use of the library and its materials. The bibliographic instruction sessions can be tailored to meet the needs of individual students or classes. The library's web site <http://library.uncfsu.edu> is a useful tool in learning about library resources, services and policies. The Chesnutt Library Blog provides up-to-date and current information about library activities.

Chesnutt Library is an attractive, contemporary four-story structure with nearly 80,000 square feet of space. Current holdings include 324,432 bound volumes, 976,000 pieces of microfiche, 2,744 periodical subscriptions, 57 newspapers, 6,710 video cassettes/DVDs and access to more than 270 electronic resources, including NC LIVE, CD-ROM indexes and databases. Chesnutt Library is a selective depository for documents printed by the United States Government Printing Office and a full depository for the State of North Carolina. The library provides users with copy machines, microfilm readers/printers and audio/video production equipment.

Collections housed at the Charles W. Chesnutt Library include the main collection, the reference collection, the media collection, government documents and the Archives and Special Collections. In the Archives and Special Collections area are official records, manuscripts and materials relating to Fayetteville State University, as well as the papers and materials of Charles Waddell Chesnutt, James Ward Seabrook and other African Americans, and individuals who have made noteworthy contributions to southeastern North Carolina. The Government Documents collection provides access to federal and state depository titles for the citizens in the Fayetteville metropolitan area. In addition, the library provides a web page with links to Internet resources that have been evaluated by staff members. The library provides FSU students access to its electronic subscriptions (databases require ID and password) from off-campus sites including their homes. Wireless access is available in the library.

Comments and suggestions from students, staff and faculty regarding services and resources are welcomed by the Director of Library Services.

INFORMATION TECHNOLOGY SYSTEMS

Fayetteville State University is on the cutting edge in the use of computer technology in education. FSU has a comprehensive campus-wide academic computing environment that provides a communications network with access to local and external information resources including the Internet, the North Carolina Information Highway (NCIH), and the North Carolina Research and Education Network (NCREN). All of FSU's major academic and administrative buildings have wired and wireless network connectivity that provides access to e-mail, the World Wide Web, digital library resources, and various microcomputer application software packages for faculty, staff, and students.

Many academic computing labs are available at FSU with over 350 microcomputers that include Windows PCs, Macs, and Linux PCs. All computer labs have Internet access for e-mail and the World Wide Web. All computer labs have software applications such as Microsoft Office, SPSS, SAS, and a wide array of academic courseware. In addition, using Citrix, FSU faculty, staff and students can access all software on campus from home.

MICROCOMPUTER LEARNING CENTER

The campus has several microcomputer labs available to assist faculty, staff and students with their computing needs. The Open Use microcomputer labs are located in the School of Business and Economics Building, room 214 and Helen T. Chick Building, room 216A. These labs are available six to seven days per week and are designed to support the students' microcomputer needs. There are additional microcomputer labs on campus that serve specific courseware needs pertaining to physical and life sciences, history, critical thinking, psychology, reading, composition, and mathematics.

CAMPUS POLICE & PUBLIC SAFETY

Fayetteville State University strives to provide a reasonably safe living and working environment for the University community. The Campus Police Department is responsible for accomplishing these goals. The Campus Police Department is a campus law enforcement agency authorized by the Fayetteville State University's Board of Trustees under Chapter 116 of the North Carolina General Statutes. FSU police officers have full police authority equivalent to those of a municipal police agency. This department is organized into three divisions: Patrol, Investigations, and Administrative Services.

PATROL DIVISION

The Patrol Division is composed of four patrol squads, each with a squad supervisor, to provide police patrol services to the campus twenty-four hours a day. Special emphasis is placed on the residence halls and parking areas at night. In addition to routine and preventive patrol, police officers respond to all incidents and emergency situations, enforce North Carolina and campus traffic laws, and provide protection at campus events and secure buildings. Parking and Traffic Control Officers are also located within the Patrol Division and offer the Motorist Assistance Program where motorists' vehicles may require a battery jump-start. Parking and Traffic Control Officers also enforce campus traffic and parking regulations, control vehicle registration, and coordinate visitor parking for both private and common carrier vehicles. All members of the University community, including students, must register their vehicles.

INVESTIGATIONS DIVISION

The Investigations Division is composed of three areas: investigations, crime prevention and

victim's advocacy. An investigator provides follow-up investigation services for all incidents occurring on the campus. Investigative assistance for serious incidents is available from the Fayetteville City Police Department through mutual assistance agreements. The Investigations Division offers a Crime Prevention program wherein preventative measures are taught to members of the University community. Seminars about self-protection and safety procedures are conducted for students.

Brochures and other educational materials are distributed on a regular basis to students. The Crime Prevention Officer is responsible for implementing programs that will help detect, alleviate and/or reduce the opportunities for crime. This officer provides educational programs and literature that teach self-awareness, personal safety and property protection. Services offered through the Crime Prevention Program are, Operation Identification, Crime Prevention Tips on WFSB, Crime-Stoppers (a Hotline for reporting crime) and a student escort service.

ADMINISTRATIVE SERVICES DIVISION

The Administrative Services Division consists of Telecommunications Property and Security officers and Parking Clerks. Trained, DCI certified police telecommunications provide twenty-four hour emergency telephone and dispatch services for the campus.

Vehicles must be registered with the Traffic and Parking section between the hours of 8 a.m. and 4:30p.m., Monday through Friday. Vehicles may be registered in the fall and spring semesters during class registration.

Vehicle registration fees for students are \$60 and \$25 for each summer session. Faculty/staff parking stickers are \$100 for regular lots and \$200 for gated lots. Parking space is very limited and the purchase of a permit gives a student the authorization to park on campus, but does not guarantee a space.

Students who need to bring a vehicle on campus for a week or less may purchase a temporary permit for a fee of \$7. Parking fines range from \$10 to \$200 depending upon the violation.

Freshmen are not authorized to register a vehicle with the University unless they reside off campus.

Payment may be made in the form of a check or money order (only) 24 hours a day by dropping an envelope in the collection box at the Police Department or by mailing in the citation. Failure to pay a parking citation within 72 hours results in doubling of the fine amount and a hold on the student's account which prevents registration or receipt of transcripts/diploma. Parking citations may be appealed to the Chief of Police or his designee. FSU police officers issue North Carolina Uniform Citations for violations of state motor vehicle laws, such as a speeding violation occurring on campus.

Such citations must be paid at the Clerk of Court's Office unless they require a court appearance.

Vehicle can be registered on line prior to purchasing a permit @ <http://www.uncfsu.edu/police/index.htm>.

Further details regarding traffic/parking may be found on the Campus Police homepage or by stopping by the Police Department. Specific questions regarding any aspect of police or traffic services may be directed to the Associate Vice Chancellor for Police and Public Safety. A map of the campus and directions to FSU can be found at <http://www.uncfsu.edu/police/index.htm>.

DIVISION OF BUSINESS & FINANCE

Matters regarding business and fiscal affairs are the responsibilities of the Division of Business and Finance. The Office of the Vice Chancellor for Business & Finance is located in Suite 117 in the Barber Building.

TUITION AND FEES

Rates for tuition and fees are established by the North Carolina General Assembly, the University of North Carolina, the President of the University of North Carolina and Fayetteville State University. The University reserves the right to change fees and expenses without prior notice to the students or the general public. Prior notification of changes will be provided whenever possible. The tuition and fees include state tuition (in-state and out-of-state rates), activities and service fees and insurance. Room and board fees are charged as a separate fee for all students who reside on campus.

In addition to these basic fees, other fees and expenses may be charged to students for special services.

The fees for each student will be based on the following criteria:

- In-State or Out-of-State Resident
- Number of Credit Hours
- Boarding or Non-Boarding

Since the tuition and fees are subject to change each year, the actual fees are not included in this publication.

The list of estimated fees is provided to help students determine their approximate expenses.

A copy of the current rates may be obtained by viewing them on the web (<http://uncfsu.edu/bursar/fees.htm>) or contacting the cashier's office.

BUSINESS MATTERS

Payments of tuition, fees, and room and board charges are due by the scheduled deadline. In the Fall and Spring semesters, accounts not paid by the deadline will have the associated schedule dropped. If registering during late registration, accounts not paid by the last day of registration will automatically be charged a fee and submitted to Tuition Management Systems (TMS) for collection. Students planning to use financial aid to pay must meet all financial aid application deadlines to ensure availability of funds by the scheduled deadline for payment. The payment plans are not available for summer sessions.

Further information about the monthly payment plan may be obtained from the Office of Business and Finance.

Payments can be made by cash, cashiers check, in-state or out-of-state personal check, money order, VISA/Master Card or financial aid award letter. No third party checks will be accepted. Payments may be mailed directly to the Cashier's Office or paid at registration. On-line credit card payments are also accepted. **PLEASE DO NOT MAIL CASH.**

Money intended for the personal use of a student should not be included in any payments to Fayetteville State University, since such a remittance must be deposited to the student's account. No part of a remittance made payable to the University will be given to the student.

A University payment receipt is issued for any payment made on behalf of the students. This receipt is additional proof of payment.

ORIENTATION FEE

All new FSU first-time freshmen must pay a one-time orientation fee. This fee will be assessed to students at the time of registration.

FORT BRAGG CENTER AND CONTINUING EDUCATION WEB-BASED COURSES

The tuition and fee schedule for courses at the Ft. Bragg Center and web-based courses offered by the Center for Continuing Education is located on the website.

TUITION SURCHARGE

All new undergraduates seeking a baccalaureate degree at Fayetteville State University will be subject to a 50% tuition surcharge if they take more than 140 credit hours to complete a four-year degree program or more than 110% of the required credit hours to complete the officially designated five-year program.

Note: The State Scholarship Program for Children of War Veterans administered by the North Carolina Division of Veterans Affairs will not cover the tuition surcharge. Responsibility for the surcharge will be placed on the student.

COUNTED CREDIT HOURS

The undergraduate credit hours to be counted for this requirement include: (1) all regular session degree-creditable courses taken at FSU, including repeated courses, failed courses, withdrawal and those dropped after the last date to add a course; and (2) all transfer credit hours accepted by FSU.

However, this calculation excludes the following credit hours: (1) those earned through the College Board's Advanced Placement (AP) and College Level Examination Program (CLEP) or similar programs; (2) those earned through institutional advanced placement, course validation, or other similar procedures for awarding course credit; and (3) those earned through the summer session or degree-credit extension division at FSU or at another UNC institution.

STUDENTS SUBJECT TO THE SURCHARGE

The surcharge shall be imposed on all counted credit hours in excess of the threshold defined below for each of the following three categories of undergraduate study:

For students earning a first baccalaureate degree in a program that requires no more than 128 credit hours, the surcharge shall be applied to all counted credit hours in excess of 140 credit hours.

For students earning a first baccalaureate degree in a Board-approved program that requires more than 128 counted credit hours, the surcharge shall be applied to all credit hours that exceed 110% of the credit hours required for the degree. Such programs include those that have been officially designated by the Board of Governors as five-year programs, as well as those involving double majors or combined bachelor's/master's degrees.

For students earning a baccalaureate degree other than the first, the surcharge shall be applied to all counted credit hours that exceed 110% of the minimum additional credit hours needed to earn the additional baccalaureate degree.

STUDENTS EXEMPT FROM THE SURCHARGE

The surcharge shall not be imposed on undergraduates who:

Complete a first baccalaureate degree program that has not been officially designated by the Board of Governors as a five-year program, and whose counted credit hours were

earned in eight or fewer regular term semesters or the equivalent; or Complete a first baccalaureate degree program that has been officially designated by the Board of Governors as a five-year program and take their counted credit hours in 10 or fewer regular term semesters or the equivalent.

CALCULATION OF THE SURCHARGE

The surcharge shall be imposed on tuition charged in the current semester and in subsequent semesters where a student's cumulative credit hour total to include that semester's course load exceeds the threshold. The surcharge does not apply to required fees.

REFUNDS/ADJUSTMENTS OF TUITION AND FEES

Refunds and/or adjustments of tuition and fees will be made only to students who withdraw from all classes in which they are enrolled for the semester, and who complete the official process for withdrawing from the University. Students wishing to withdraw from all classes must initiate the withdrawal process by reporting to the Center for Personal Development located in the Spaulding Building. **Students who fail to complete the official withdrawal process will not be eligible for any refund or adjustment of tuition, fee or room and board charges. Ceasing class attendance does not constitute official withdrawal from the University.** According to the University's Undergraduate Attendance Policy, students with excessive class absences in courses at the 100 and 200 level may be withdrawn from classes by instructors. Therefore students withdrawn from class are not eligible for any refund or adjustment of tuition and fees.

MEAL PLAN POLICIES AND PROCEDURES

What Are The Advantages?

Whether you're eating on campus every day or just a few times a week, you could be saving money with a meal plan. Tons of options help you choose the plan that offers the best value for your busy schedule.

All students who live in the University residence halls are required to participate in one of the meal plans. There are lots of privileges you will be able to enjoy once you sign up for a meal plan...

- The security of guaranteed meals or the flexibility of a la carte dining
- Don't waste money on ATM fees or carrying cash. Just swipe your meal card and go!
- With a meal plan, you pay less than you would at the door at Rudolph Jones Student Center
- You never have to worry about cooking or doing the dishes
- Convenient dining spots are located everywhere you want to be
- Lots of great food choices

How Do They Work?

Meal plans are geared specifically to make your life simpler! A magnetic stripe on the back of your student ID card works with our computer system to identify you as a meal plan member. Our meal plans are easy, economical and designed to meet the needs of your busy campus lifestyle.

The BRONCO BUCKS work on the same principle as a bank debit card. Each time you make a food purchase, the total cost of your meal is subtracted from the dollar balance on your account.

Declining Dollars can be used at your discretion throughout the semester and are accepted at the Bronco Grill located in the Rudolph Jones Student Center, ecoGrounds Coffee Shop in the New Science and Technology Building, and the C3 Express in the SBE Building.

Once you have a meal plan, your Bronco Card works like a debit card. Just swipe your card and the meal charge is deducted automatically.

What Are My Meal Plan Choices?

Our meal plans provide you with many options. Select a plan that best suits your eating habits and lifestyle. All campus residents are automatically enrolled in the All Access meal plan. First Time Freshmen are required to have the All Access meal plan.

Sophomores, juniors, and seniors living on campus may change their meal plan during the first two weeks of the semester through the Bronco Card Office at Grace Black Circle in the Old Police Station.

LAUNDRY SERVICES

Fayetteville State University Laundry Services currently operates the latest in commercial washer and dryers, the new Maytag Neptune Series Front-Load High Efficiency Washers and Dryers. Maytag is the most respected name in the laundry industry and some of the features are as follows:

- **Greater Capacity:** A double-load washer to handle comforters, blankets and large loads. The Neptune's 2.9 cubic foot capacity is the industry's largest.
- **Time Saver:** Due to the ultra-high spin, an average load will dry in 40-45 minutes. Laboratory tests prove that Maytag's final spin removes more water than any other brand. Water retention in a Neptune is 42% compared to 48% of the nearest competitor.
- **Water Efficient:** Uses only 15-18 gallons of water for a load of laundry compared to 23 gallons for nearest competitor and 31 gallons for the old top-load units.
- **Easier Loading and Unloading:** Doors open a full 180 degrees; the inner basket is tilted upward at a 15 degree angle so students can see and reach every article of clothing.
- **Handles Over-Sudsing Better:** A patented anti-sudsing cycle to reduce over-sudsing with normal usage. An exclusive suds recovery cycle that helps control overly soaped loads from overflowing and flooding the laundry room.
- **Noise Level:** The quietest washer ever made; especially important to students whose rooms are adjacent to laundry rooms.
- **Better Washability:** Laundry continuously turns over and moves through the water up to 35 times per minute. Top-loaders average only 1-2 turns per minute. In addition, the Neptune provides two extra rinses for better detergent removal.
- **Dryer Efficiency:** No other dryer is faster or more energy-efficient than a Maytag due significantly to the water extraction from the final spin of the washer. The 6.0 cubic foot tumbler is twice the volume of the Neptune washer.

Fayetteville State University Laundry Services deploys an array of technology and innovations designed to make the process of doing laundry easier than ever. By using our Laundry View system, students will never have to guess when the washers and dryers are available and can enjoy the added convenience of receiving a text message when their laundry is done.

In conjunction with Mac-Gray's Lighten the Load carbon-offsetting program, we are doing our part to help the environment and our commitment for improved sustainability. Fayetteville State University Laundry Services is one of the first universities in the state, and one of the first schools in the Southeast to have a carbon-neutral residence hall laundry

operation.

Where are the washers and dryers located?

We have a total of 45 washers and 45 dryers all located within our 9 Residential Buildings, from a minimum of 2 washer and 2 dryers in Smith and Joyner Halls, to a maximum of 10 washers and 10 dryers in Renaissance Hall.

How much does it cost?

- Washers = **\$1.25 per cycle**
- Dryers = **\$1.25 w/48 minute dry cycle**

What method of payment do the machines accept?

The machines are cashless machines and will only accept the Bronco Express Card as the method of payment. Therefore, in order to use the laundry machines a minimum of \$1.25 is required in your Bronco Express Card Account.

How do I obtain a refund if I lose money in one of the laundry machines?

In the event you lose money from your Bronco Express Card Account while doing laundry, credit may be obtained from the Bronco Express Card Office. Hours of operation are Monday thru Friday from 9:00 a.m. until 5:00 p.m.

What happens if my clothing is damaged while doing my laundry in one of the machines?

All claims may be called into the 1-800-MAC-GRAY, e-mailed to www.customer-care@macgray.com, or visit the ASI-Mac-Gray Website at www.mgservice.com. For claims less than \$50.00, a check is immediately issued to the student. For claims greater than \$50.00, a ASI-Mac-Gray technician will pick up the garment and a check will be issued if it is determined the damage was caused by a machine malfunction. The value of the garment is based upon its age and condition. All damaged garments, if refunded and still in good condition, will be donated to charity.

How Do I report a machine problem?

The procedure for reporting laundry machine problems should be directed to the residential director, who will contact ASI-MacGray Laundry Services. Please tell us which machine (Washer = A1, Dryer = B2, etc.), the location (Bryant Hall-1st Floor, etc.) and a brief description of the problem. It helps us to know if you received any type of message on the display screen; or what you were specifically trying to select.

FSU BOOKSTORE

YOUR BOOKSTORE:

The Fayetteville State University Bookstore is located in the Bronco Square shopping center across Murchison Road from the Seabrook Auditorium.

The FSU Bookstore is a full service textbook and collegiate apparel and gifts provider. It's our job to provide all of the required reading for each academic term. We are partnered with an expansive network of university and college bookstores. What does all this mean for the student? Through this partnership, the student benefits via access to one of the most extensive resources in the College Bookstore arena. This means we can provide the student with the right textbook now.

THE FSU TEXTBOOK RENTAL PROGRAM:

FSU students are afforded a unique opportunity among the nation's college students via the FSU Textbook Rental Program. Undergraduate students taking courses at FSU are automatically enrolled in the textbook rental plan through a university mandate. Graduate students are provided with a choice to opt-in the rental program. With this plan you are charged a flat-rate rental fee for the use of any non-consumable, regularly used textbooks that have a new retail value of \$25.00 or above that are required for your courses. The

Textbook Rental Program also applies to Summer I, Summer II and web-based courses.

All rental textbooks remain the property of the FSU Bookstore and must be returned to the Bookstore as soon as you are finished using them. Students are responsible for the replacement cost of books that are not returned to the bookstore by the posted due dates. Students are also responsible for the replacement cost on books that are damaged in a manner that does not allow for further rental. Absolutely no torn covers, missing pages or water damage to textbooks is allowed. The replacement cost of the textbook is the “used” selling price.

Students wishing to keep books that are on the rental program are welcome to purchase them at any point during the term.

PURCHASE TEXTBOOKS:

Students must purchase any books and supplies that are optional, consumable (i.e. lab-manuals, workbooks and access codes), for courses where the materials are not used at least every other semester, and those that have a new retail value of \$24.99 or less.

Why must I have a textbook?

Textbooks are often the primary source of information that you will be required to master in order to pass your course. Often times they complement the lectures and provide the critical detail needed to fully understand a topic.

OFFICIAL BOOKSTORE RENTAL POLICIES:

The following is the official wording of the textbook rental contract signed by the student at the time of text rental.

- **THIS IS A CONTRACT, READ IT THOROUGHLY.**
- If the student notices a problem with this contract (incorrect or missing books), they must bring that to the store’s attention, within 3 days of the rental date.
- If any textbook has defects such as missing pages, water damage, or torn covers, the student must return the book within 3 days of the rental date. After that time, the student will be responsible for these damages and will be held liable for the book’s condition.
- If the textbooks are lost or stolen, the student is liable for the replacement cost. A police report does not excuse the student’s liability.
- Textbooks must be returned to the Bookstore by the due date in the same condition they were rented.
- If the student fails to return the books in re-useable condition by the due date, they will be charged the replacement cost, which is the “used selling price” of the textbook.
- Students taking 8-week classes should return their books within 3 days of their last 8-week class meeting.
- This is to ensure availability of texts for students in the following 8-week term.
- Students should pick up all required books by midterms. The bookstore cannot guarantee availability of course books for the current term after that date.
- Return reminders will be communicated to the students via their FSU e-mail accounts; however it is the student’s responsibility to return the books by the due date listed on this form.
- Students in continuation courses or with course-incompletes must still return their books by the due date or they will be charged the replacement cost.

- All package components must be returned to the store together. Loss or damage to any component of a package will result in student liability for the replacement cost of the complete package.
- Students may mail their books back to the Bookstore. The books arrive in the bookstore on the posted due date.
- The student must include their banner number, name and a contact phone number with the books in order to be credited. We recommend shipping insurance and tracking.
- Books must be returned by the close of business on the date listed on this contract.
- That date is final and there are no exceptions.

CLASSROOM BEHAVIOR PROCEDURES

INTRODUCTION

The goal of Fayetteville State University and its faculty and students is to foster a dynamic environment of higher learning where all students develop analytical skills, learn to think critically and communicate effectively, promote inquiry, pursue knowledge and prepare for productive careers. Behavior in the classroom that impedes teaching and learning and creates obstacles to this goal is considered disruptive and therefore subject to sanctions. The purpose of these sanctions is to create and protect an optimum learning experience; they should not be considered punitive, neither by the student nor instructor.

Disagreement expressed in a civil fashion, eccentricity, idiosyncrasy, and unconventional behavior are not disruptive to the classroom experience. These sanctions are intended only to preserve the classroom as a place to pursue knowledge, exchange ideas, and share opinions in an atmosphere of tolerance. Students have the responsibility of complying with behavioral standards. Faculty have a professional responsibility to set reasonable limits on the expression of opinions while treating students with dignity, respect and understanding while guiding classroom activities.

At the classroom level, clear guidelines for behavior and early intervention are the foundation for an intellectually stimulating experience for students and instructors alike. Instructors are encouraged to include in their syllabi guidelines for classroom behavior. Instructors who state these guidelines early and enforce them at the first appearance of disruptive behavior prevent minor episodes of classroom misconduct from escalating into serious confrontations and help transgressors to avoid the more serious consequences of such actions.

Examples of improper behavior in the classroom (including the virtual classroom of email, chat rooms, and web activities associated with courses) may include, but are not limited to, the following:

- Repeatedly arriving after a class has begun;
- Use of tobacco or illegal products;

- Monopolizing discussion;
- Persistent speaking out of turn;
- Distractive talking, including cell phone usage;
- Audio or video recording of classroom activities or the use of electronic devices without the permission of the instructor;
- Refusal to comply with reasonable instructor directions;
- Employing harassing language or gestures when it violates the University's Non-Discrimination Statement of Policy;
- Verbal, psychological, physical threats, harassment and physical violence.
- Overt inattentiveness (sleeping, reading newspapers)
- Eating in class (except as permitted by the faculty member)
- Failure to follow reasonable requests of faculty members
- Entering class late or leaving class early on a regular basis

PROCEDURES

- 1 When confronted with disruptive, but non-threatening behavior, the instructor should issue a general word of caution to the class as a whole rather than to a particular student so as not to exacerbate the problem.
- 2 If a general caution directed to the entire class does not stop the disruptive activity, the instructor should endeavor to meet in private with the disruptive student. The resulting discussion should include a description of the problem, the reason it is disruptive, and the consequences of continued violations of classroom behavior guidelines.
3. If the disruptive behavior is preventing further instruction, the instructor is authorized to ask the disruptive student to leave the class immediately for the remainder of the class session. Removal from the classroom for more than one class period, for an extended period, or on a permanent basis requires the instructor to file charges of a violation of the Code of Student Conduct with the Director of Student Conduct. The department head/chair or dean may negotiate a withdrawal from the course or a transfer of the disruptive student to a different course section or course, if, in his or her opinion, a different instructor and different classmates would defuse the situation and provide the disruptive student with a new learning opportunity.
- 3 If threats have been made or physical violence is imminent, the instructor should notify the Campus Police immediately. The instructor should also notify the course department head/chair or dean promptly, followed by a memo to the department head/chair or dean documenting the incident and actions taken. Instructors and administrators must maintain records related to all material disruptive incidents and any actions taken concerning them. Nothing in this policy is intended to infringe or restrict the educational process or the academic freedom of FSU students or instructors.

IMPROPER RELATIONSHIPS BETWEEN EMPLOYEES AND STUDENTS

POLICY

The University of North Carolina does not condone amorous relationships between students and employees. Members of the University community should avoid such liaisons,

which can be harmful, and affect students and damage the integrity of the academic enterprise. Further, sexual relationships between unmarried persons can result in criminal liability. In two types of situations, University prohibition and punishment of amorous relationships is deemed necessary: (1) When the employee is responsible for evaluating or supervising the affected student. (2) When the student is a minor, as defined by North Carolina law. The following policies shall apply to all employees and students of the sixteen constituent institutions.

A. Prohibited Conduct

- 1 It is misconduct, subject to disciplinary action, for a University employee, incident to any instructional, research, administrative or other University employment responsibility or authority, to evaluate or supervise any enrolled student of the institution with whom he/she has an amorous relationship or to whom he/she is related by blood, law or marriage.
- 2 It is misconduct, subject to disciplinary action, for a University employee to engage in sexual activity with any enrolled student of the institution, other than his/her spouse, who is a minor below the age of 18 years.

B. Definition of Terms

- 1 "Amorous relationship." An amorous relationship exists when, without the benefit of marriage, two persons as consenting partners (a) have a sexual union or (b) engage in a romantic partnering or courtship that may or may not have been consummated sexually.
2. "Related by blood, law or marriage" means:
 - a. Parent and child
 - b. Brother and sister
 - c. Grandparent and grandchild
 - d. Aunt and/or uncle and niece and/or nephew
 - e. First cousins
 - f. Step-parent and step-child
 - g. Husband and wife
 - h. Parents-in-law and children-in-law
 - i. Brothers-in-law and sisters-in-law
 - j. Guardian and ward
3. "Evaluate or supervise" means:
 - a. To assess, determine or influence (1) one's academic performance, progress or potential or (2) one's entitlement to or eligibility for any institutionally conferred right, benefit or opportunity, or
 - b. To oversee, manage or direct one's academic or other institutionally prescribed activities.

C. Corrective Action Violations of the provisions of Section A shall be addressed in accordance with remedial measures prescribed by each constituent institution; if disciplinary action is brought against as effected employee, it shall be conducted in accordance with existing institutional policies and procedures prescribed for prosecuting misconduct charges against members of the class of employment which the affected employee is a member.

VISITORS IN THE WORKPLACE

It is the policy of Fayetteville State University to provide an environment for all employees and students that is professional and free from distraction. The University has found that time spent attending to a personal visitor detracts from work production of not only the employee, but also co-workers.

Thus, effective July 1, 2002, the following University policies are promulgated. Please note that individual supervisors (workplace) and faculty (classrooms) may impose additional restrictions, which are considered appropriate to the successful operation of the institution.

GUESTS

Except when authorized by the appropriate supervisor, all guests, including but not limited to relatives and friends of employees and employees from other University units, who do not have official business with a particular department may be restricted from prolonged visits to the workplace.

CHILDREN

On occasion, young children have been brought to the University campus and have remained for extended periods of time either in a work area under parental supervision or elsewhere on campus with or without supervision (e.g., classrooms). Most often, these occurrences are during the summer, on snow days during the winter, on holidays, and at other times when school and day care facilities are either closed or inaccessible.

While sympathetic with the difficulties parents may encounter in arranging supervisory care for their children, the University, for several compelling reasons, cannot accommodate children in campus workplaces, classrooms or in unsupervised circumstances on campus. These reasons include risks of injury, disruption of classes and other normal University operations, in addition to diverting employees' time and attention from their job responsibilities and duties. Therefore, the University will not allow:

- (1) children under the age of 14 to be on campus without being accompanied by a responsible older person or without being properly enrolled in a supervised University activity; or,
- (2) students to bring children into a classroom setting while classes are in progress; or,
- (3) children to be present in a parent's or caretaker's campus workplace or in a classroom for an extended period of time.

The University encourages supervisors to accommodate employees as much as possible in scheduling sick and annual leave to provide or arrange for childcare.

MEDICAL EXCUSES

Student Health Services and Counseling Center Staff cannot provide administrators, faculty, staff or students with medical excuses or information on a student without the student's written authorization.

TICKET REFUND GUIDELINES

If a customer is unable to attend an event after purchasing tickets, no refunds will be issued. All tickets become void after the performance begins. Neither refunds nor exchanges will be issued to patrons who are not allowed to enter the theatre.

In the event of a cancelled performance, patrons may be given the option to receive a refund unless otherwise specified on the event ticket.

ALCOHOL & DRUG POLICY

Fayetteville State University is committed to preventing substance abuse by:

Encouraging students to choose healthy lifestyles;

Expecting students to accept responsibility for their own choices and behavior;

Encouraging alcohol-free & drug free activities and supporting those who choose not to use alcohol and other drugs;

Enforcing University rules and local/state laws which regulate alcohol and other drug use.

Drugs (including alcohol) are prohibited on the campus of Fayetteville State University. Criminal codes also prohibit use, possession, or consumption of illegal drugs and underage drinking or possession.

The University's Code of Student Conduct prohibits all students from the possession, consumption, or selling of any type and any amount of alcoholic beverages or illegal drugs on University premises at anytime. This prohibition applies to any portion of the University's property including, but not limited to, residence halls, parking lots, the student center and sports facilities.

FSU has established a comprehensive drug & alcohol policy for students, faculty, and staff. The policy is located on FSU's policy website at www.unccfsu.edu/policy. The policy includes information regarding:

- 1) the standards of conduct related to drug & alcohol abuse;
- 2) the legal & disciplinary sanctions for a violation of laws & policies related to drug or alcohol abuse;
- 3) the health risks associated with drug or alcohol use; and
- 4) the counseling & treatment programs available through FSU.

CAMPUS COOK-OUTS

The following cook-out procedures/rules are designed to allow students to enjoy social opportunities and assume responsibility for their own social events while at the same time ensuring safety and adherence to fire codes and insurance regulations.

- 1) Cook-outs will be permitted throughout the campus, provided they are 30 feet from any structure.
- 2) No alcoholic beverages allowed.
- 3) Clean-up must be completed promptly at the completion of the cook-out. All fire and ashes must be completely extinguished and properly disposed of before leaving the cook-out area.
- 4) Music, if any, should be at a volume which will not disturb others.

All cooking activity must be completed by dark.

(Nothing in this Campus Cook-Out Policy shall abridge the responsibility to obtain approval through FSU's facilities/grounds rental procedures. Any person or group desiring to host a cook-out must follow FSU policies and procedures for facilities/grounds rental.)

FRESHMAN PARKING POLICY

I. PURPOSE

Fayetteville State University is responsible for providing the best environment and services for its students to prosper. Research shows that residential students who do not have a vehicle on campus during their first year of college are more apt to perform successfully in the classroom. First year students without vehicles also tend to participate more in on-campus activities, which also increases their likelihood for success during that critical freshman year. Their performance during their first year is the strongest predictor that they will persist to graduation.

II. PARKING PRIVILEGES

No first-time freshman living in a university residence hall shall be permitted to maintain a vehicle on campus. This category of freshmen shall not be issued parking permits by the university's Police Department.

III. EXCEPTIONS

Students with conditions that may require an exception to this policy (such as serious medical conditions) may file a hardship petition with the Division of Student Affairs. The petition should be filed immediately after the student is admitted to the university or as soon as the hardship condition is determined. The Vice Chancellor for Student Affairs will issue a response to approve or deny the petition within twenty (20) business days of receipt of the request.

IV. VIOLATIONS

Any violation of this policy may result in the revocation of parking privileges for the student's sophomore year.

STATEMENT ON PETS & ANIMALS ON CAMPUS

Students shall not have pets or any animals, to include snakes or any other animal, on any portion of the University's property prohibited unless the Division of Student Affairs provides a written exception which is based upon a student's bona fide medical condition.

SPONSORING EVENTS

The purpose of these guidelines is to define the procedures whereby recognized student organizations will be permitted to hold events on the campus of Fayetteville State University. Recognized student organizations may host events and meetings by reserving space according to the University's facilities rental policy. Visit the University's policy website to obtain information about renting facilities: <http://www.uncfsu.edu/policy>.

All "major events" whether on or off-campus must be approved in advance by the Division of Student Affairs according to the following guidelines. A "major event" is defined as the use of an area or facility for a dance, concert, conference, fashion/modeling show or other activity/program where the expected attendance is 200 or more.

At all times, major events are subject to the following rules:

- 1) The University neither sponsors nor endorses these events or the contracts associated with them.
- 2) The University's name may NOT be used in a manner that represents or suggests University sponsorship of the events.
- 3) FSU Police must provide security and traffic/crowd control.
- 4) The campus advisor must attend all major events sponsored by the organization and ensure that the organization adheres to all University policies and procedures. A designee cannot serve in their stead. The advisor must arrive at least one hour prior to the scheduled start time and remain until all students/guests have vacated the facility/area.

Guidelines

- 1) Any organization sponsoring an event is responsible for enforcing these guidelines for major events and ensuring that other University policies or state/federal laws are not violated. Violations of these policies could result in disciplinary action.
- 2) The University's name may not be used in a manner that represents or suggests University sponsorship of the event. Exception: Events sponsored by the Student Government Association and Student Activities Council are considered University-sponsored events.
- 3) The sponsor or sponsors of an event must register the event by completing a Major Event Registration Form and obtain all needed signatures.
- 4) Organizations must follow the University's Fundraising Guidelines.
- 5) The number in attendance at an event may not exceed the mandated fire code capacity for the location where the event is to occur. All exits are to be kept clear of people, furniture and other obstructions to allow for normal and emergency exits and entries.
- 6) Any organization that sponsors an event is responsible for the actions of those in attendance.
- 7) Any organization that sponsors an event will be held responsible and appropriately billed for any damage incurred to the facility where the event was held and to other locations that were designated as areas for which the event sponsors were responsible, such as bathrooms or lobby.
- 8) Student organizations have the responsibility of planning, organizing and implementing events while ensuring and respecting the rights, privacy and safety of members of the campus community. Individuals also bear responsibility of the same.
- 9) A major event may NOT occur unless and until the event is registered and approved by

all of the appropriate offices and/or individuals.

Planning a Major Event

Whether or not your event requires a contract, be sure to adhere to the following. Before committing to a contractual agreement, you should develop a plan of action incorporating the following steps.

These steps also should be followed by organizations that will not be committing to a contractual agreement.

- Step 1: Check on the availability of the facility/area and complete a University Facility Request Form.
- Step 2: No less than thirty days in advance of the event, submit a fully completed Major Event Registration Form along with a completed University Facility Request Form to the Office of Student Activities Program Director, Room 230 Rudolph Jones Student Center.

Alcohol

There should be no alcohol at any event sponsored by a student organization. Event sponsors should not advertise social events that indicate that alcoholic beverages are free, are sold, or are all-you-can drink for the price of admission or that otherwise appear to encourage drinking. Major event registration forms are available in the Rudolph Jones Student Center. Contact 910.672.1166 for additional information.

TERMINATION OF MAJOR EVENTS

The University reserves the right to terminate any major event at such time as the terms of approval are not met or noise or other problems that may create a continuing nuisance.

If a decision is made to terminate the event, the student liaison from the sponsoring organization is responsible for making sure that the music stops, an announcement is made asking the crowd to disperse, or other action is taken to resolve the problem.

IV. NON-ACADEMIC MISCONDUCT

A student's non-academic behavior on- or off-campus may be subject to disciplinary action as outlined below.

A. Reports of Non-Academic Misconduct

1. Individual Student

A report of non-academic misconduct may be made against a student by a member of the campus community or by a University police officer. A report of non-academic misconduct is not considered a formal charge.

Reports of non-academic misconduct may also be filed as a result of, or during a conduct process which may result in a separate formal charge and hearing.

A person who files a report will be required to cooperate as required by the Director and appear and testify at any proceeding related to the report.

A report of non-academic misconduct may be by any method allowed by the Director which may include, but not be limited to, either of the following methods:

- **Campus Appearance Ticket (CAT).** A CAT is a document issued by the University's Police and Public Safety Department (University Police Department) when a police officer believes that a student has committed an act(s) in violation of the Code and/or other University policies. The University Police Department may amend a CAT to reflect additional violations or a more accurate description of an initial violation.
- **University Incident and Student Complaint Form.** A member of the campus community may report misconduct against a student by completing a *report through Maxient*, the University's electronic student conduct system. The form can be submitted online at <https://cm.maxient.com/reportingform.php?FayettevilleStateUniv>. The form must be submitted within five (5) business days of the alleged incident. Upon good cause, the Director may extend this deadline.

2. **Student Organization**

A report of misconduct may be made against a student organization by a member of the campus community or the external community. Such reports shall be directed to the Director.

Except when exempted by the Director, the report must be in writing, signed and dated and should include sufficient detail as to provide an understanding of the issues involved (i.e. name of the complainant, date, time and place of the incident, names of individuals involved, description of events and circumstances, and names of witnesses). If the complainant wishes to make an anonymous report of misconduct, the complainant should provide his or her address and telephone number on a document that is not attached to the report.

The Director will make every effort to inform the student organization of the report of misconduct within ten (10) business days following receipt of the written report.

3. **Reports Involving Sexual Misconduct, Domestic Violence, Dating Violence and Stalking**

The University is committed to fostering a safe campus environment where sexual misconduct, domestic violence, dating violence, and stalking (based upon sex/gender) are unacceptable and are not tolerated. In keeping with this commitment, the University has implemented a policy prohibiting certain sexual conduct by a student against a student, the purpose of which is to protect the rights of a student making a complaint, as well as the rights of an accused student. Thus, reports of sexual misconduct, dating violence, domestic violence, and stalking by a student against a student will be governed by the University's *Prohibited Sexual Conduct Policy* and hearings shall be conducted by the hearing panel designated under that policy.

B. **Student Disciplinary Process**

1. **Interim Actions**

The University may take one or more interim actions to safeguard the University community before a student conduct process begins or is completed. Interim actions may be imposed effective immediately, without prior notice, when, in the University's judgment, there is a need to implement an individualized response based on the status of the student, the seriousness of the alleged violation(s) of the Code and/or the potential for an ongoing threat or disruption to the University community.

a. **Interim Suspensions (Individual Student).** Interim suspensions may be imposed based upon the following:

- The student poses an ongoing threat of disruption of, or interference with, the normal operations of the University;
- The student poses a threat of causing physical harm to others or of placing others in fear of imminent danger;
- The student poses a threat of causing significant property damage;
- The student threatens the safety or well-being of the campus community;
- The student has been charged with a violation of the University's *Illegal Drugs and Alcohol* policy; or
- The student has been charged with sexual misconduct, domestic violence, dating violence or sexual stalking.

Imposition of Interim Suspension. The Vice Chancellor, in consultation with other university officials, may impose an interim suspension. Such interim suspension shall become immediately effective without prior written notice. The Director will notify a student of the report of misconduct against him or her when the interim suspension is initially imposed. A formal charge shall be filed as soon thereafter as practical in accordance with the Code.

Process for Appeal. Within five (5) business days from the effective date of the interim suspension, the student may make a written request that the Vice Chancellor reconsider the interim suspension based upon the following issues only:

- Whether the allegation(s) concerning the student's conduct is based upon reliable information; and,
- Whether the conduct and surrounding circumstances reasonably indicate that the continued presence of the student on the University premises poses a substantial threat.

The written request must contain specific and sufficient information to support the student's contention.

If no review of the interim suspension is requested, the student shall remain on interim suspension.

If a review is requested, within five (5) business days of receiving the student's request, the Vice Chancellor shall consider the information submitted and provide the student, in writing, the Vice Chancellor's decision.

Interim suspensions shall remain in effect unless the Vice Chancellor lifts the interim suspension, sanctions are imposed under this Code, or a decision of non-responsibility is issued by the University.

Restrictions Imposed During Interim Suspension. During the interim suspension, the student shall be denied access to University premises, including residence halls. The student may not attend University classes, engage in University activities on- or off-campus or receive any privileges for which the student might otherwise be eligible. A student found on University premises after an interim suspension has been imposed will be issued a trespass citation by the University

Police Department and may be subject to arrest for subsequent violations.

- b. **Interim Suspensions (Student Organization).** A student organization may be subject to an interim suspension by the Director when there is a report or evidence of a potential violation of the Code. During an interim suspension all activities, on- or off-campus (to include but not be limited to programs or social events) are suspended.
- c. **Other Interim Actions.** The University may take interim actions other than suspension to ensure the safety and well-being of the campus community including, but not limited to, “no contact” orders, relocation in University housing facilities, registration holds, and adjustments to class schedules. Any interim actions taken may not be used as evidence to support charges under the Code.

2. **Conduct Review**

- a. **Individual Student.** A conduct review for an individual student shall be conducted as follows.

- i. **Scheduling a Conduct Review.** A Respondent who receives a written report of misconduct is expected to contact, in writing, the Director of Student Conduct, within three business (3) days, of receiving the report to schedule a conduct review.

A Respondent who fails to contact the Director of Student Conduct within three (3) business days may be deemed to have forfeited the Respondent’s right to a conduct review and may be notified in writing of a formal charge (if any).

- ii. **Attending a Conduct Review.** A conduct review will consist of an informal, non-adversarial meeting between the Respondent and the Director of Student Conduct to determine whether the report of misconduct would constitute a violation under the Code. Such a violation would warrant filing of a formal charge. Following the conduct review, the Director of Student Conduct will notify the student of the determination.

A Respondent who fails to attend a conduct review may be deemed to have forfeited the Respondent’s right to a conduct review and may be notified in writing of the formal charge, if any.

- iii. **Mediation.** Mediation is a voluntary, confidential process in which the Director of Student Conduct shall assist students in finding a mutually acceptable solution to their problem. The Director of Student Conduct will determine whether mediation is an appropriate alternative to formal charges. If so determined, both Complainant and Respondent must agree to mediation. The Director of Student Conduct or designee shall oversee the mediation.

If the parties involved obtain a mutually acceptable agreement during mediation, the Director of Student Conduct may dismiss the case.

If the parties involved fail to obtain a mutually acceptable agreement during mediation, the Director of Student Conduct may file a formal charge or dismiss the case.

- b. **Student Organization.**

- i. **Investigation.** At the discretion of the Director of Student Conduct or designee, reports of potential violations of the Code committed by a student organization may be investigated prior to initiating the student disciplinary process. The investigative process may be initiated based upon reports of behavior that could result in a student organization’s suspension/dismissal from the University.

If, following an investigation, the Director concludes that the student disciplinary process should be initiated, a representative from the student organization must schedule a conduct review within three (3) business days from the date that the Director notifies the student organization.

If a representative from the student organization fails to contact the Director of Student Conduct within the three (3) business day time period, the student organization may be deemed to have forfeited its right to a conduct review and may be notified in writing of a formal charge, if any.

- ii. **Attending a Conduct Review.** At a conduct review, the student organization shall be informed of the options (if any) available for resolution of the case without requiring that formal charges be filed. A conduct review will normally consist of an informal, non-adversarial meeting between representatives of the student organization and the Director of Student Conduct to determine whether the report of misconduct would constitute a violation under the Code which would warrant filing of a formal charge. Following the conduct review, the Director of Student Conduct will notify the student of the determination.

Representatives of the student organization who fail to attend a conduct review may be deemed to have forfeited the student organization's right to a conduct review and may be notified in writing of the formal charge.

3. **Filing of Formal Charges**

Within five (5) business days after the date of the conduct review or mediation (whichever is later), the Director of Student Conduct shall provide written notification of the formal charge (if any) to the Respondent. The formal charge shall include the following information:

- a. A brief recitation of the factual allegations supporting the formal charge.
- b. Possible sanctions.
- c. Notice that, within three (3) business days of the notification of the formal charge, the Respondent must make one of the following pleas, in writing, to the Office of Student Conduct:
 - Plead not responsible to the formal charge(s) and have the case heard by the Student Conduct Board (SCB) if the Respondent requests a hearing.
 - Plead not responsible to the formal charge(s), waive rights to a SCB hearing, waive rights to an attorney/non-attorney advocate, and have the case heard by the Associate Vice Chancellor for the purpose of determining responsibility and sanction(s), if any. If the Respondent decides to have the case heard by the Associate Vice Chancellor, a written record indicating such shall be signed by the Respondent.
 - Plead responsible to the formal charges, waive the right to a hearing and accept the sanction levied by the Associate Vice Chancellor.
If a hearing has been waived by the Respondent, a written document indicating that the Respondent has waived the Respondent's right to a hearing must be signed by the Respondent.
 - Plead responsible to the formal charges and request an opportunity to be heard by the SCB for the purpose of the SCB recommending a particular sanction(s).
- d. If the formal charge could result in expulsion, the notice must include this possibility and must specify that expulsion precludes matriculation at any UNC constituent institution.

The failure to submit the written plea within three (3) business days of notification of the formal charges will automatically result in finding of responsibility and a waiver of the right to a hearing, and a finding of responsibility. Sanctions shall be imposed by the Associate Vice Chancellor for Student Affairs.

4. **Hearing Referrals**

If a formal charge is issued, the Director will refer the case to the Student Conduct unless the Respondent has specified that the Respondent would prefer the case to be heard by the Associate Vice Chancellor. Once referred, written communication will be sent notifying the Respondent of the referral to the appropriate hearing body and the time, date and location of the hearing. The hearing shall be conducted by the SCB or the Associate Vice Chancellor without regard to the conduct review or any mediation.

Charges against multiple students involved in the same incident may be heard in a single case if the Director so determines and each Respondent consents.

An allegation involving prohibited sexual conduct must be filed with the Title IX Coordinator. Any hearing that results from such allegations shall be conducted in accordance with the University's Prohibited Sexual Conduct policy.

5. **Timeframes for Hearings**

Unless the Respondent provides a written waiver providing otherwise, hearings shall occur within the following time frame:

- a. **Level 1 Offense.** A hearing for a **Level 1** offense must not be held sooner than ten (10) calendar days after the Respondent receives written notice.
- b. **Level 2 Offense.** A hearing for a **Level 2** offense must not be held sooner than five (5) calendar days after the Respondent receives written notice.

C. Hearing Procedures

Prior to a hearing, the Complainant and Respondent must be given the opportunity to review any written evidence that will be used at the hearing and to obtain a list of witnesses.

2. Continuances

If the Respondent desires additional time to prepare for the case, a written request must be submitted to the Director at least forty-eight (48) hours prior to the scheduled hearing. The Director reserves the right to deny or grant such a request. The decision of the Director is final.

3. Witnesses

A witness shall be any person with direct knowledge relevant to a case. Information pertaining to notices to witnesses and their duty to appear are outlined below:

- a. **Notice.** The Complainant and the Respondent must deliver in writing the names, addresses and telephone numbers of their witnesses at least five (5) business days before the hearing to the Director. - b. **Duty to Appear.** The Director, Associate Vice Chancellor and/or the SCB may require the appearance of witnesses. If it is determined that such testimony is not relevant, the presiding officer may decide not to allow such testimony.

Willful and deliberate failure and/or refusal of any student witness to honor a written request to appear may result in a Code violation.

4. Presence of an Observer

The Complainant and Respondent may have an observer accompany him or her to the hearing. Observers shall not be allowed to participate in the hearing.

5. Failure to Appear

If the Respondent fails to appear at the Respondent's scheduled hearing, without previously providing a written request for a continuance which was approved by the Director, the hearing shall still be conducted. Respondent shall be deemed to have pleaded guilty to the formal charges resulting in a finding of responsibility. Recommended sanctions shall then be determined.

6. Hearing

When the Complainant has concluded the Complainant's presentation, the Respondent shall then present the Respondent's contentions and offer any proof. Both the Complainant and Respondent may question witnesses.

Witnesses shall be asked to affirm that their testimony is truthful. Witnesses, other than the Complainant and the Respondent, shall be present in the hearing only when presenting their testimony.

The Hearing Body may ask the individual testifying questions, or direct that they elaborate on a particular line of inquiry. The Hearing Body may also seek such additional material or the attendance of such other persons as they deem necessary to obtain an understanding of the incident, even if it requires that the proceedings be continued until a further date. *Note:* In cases involving multiple students charged, evidence provided at one hearing may be used as evidence in a related

case(s).

Once both parties have made their presentations, the Chief Justice, Associate Vice Chancellor or their designees may request that each party present a final statement.

Once the final statements have been made, the Chief Justice or Associate Vice Chancellor (whichever applies) shall conclude the hearing.

- d. **Director's Discretion.** The Director has the discretion to determine whether a hearing should proceed as scheduled and under what conditions the hearing should be held.

7. **Determination of Responsibility**

All decisions by the Hearing Body shall be based solely upon evidence presented at the hearing. However, prior records of disciplinary actions may be considered by the Hearing Body.

The standard of proof shall be the preponderance of the evidence. In finding a Respondent responsible under this standard of proof, the Hearing Body must be convinced, based upon evidence presented at the hearing that the conduct described *more likely than not* occurred.

- a. **Finding of No Responsibility.** If the Hearing Body determines that the Respondent is not responsible, the Director shall notify the appropriate party of the Hearing Body's decision within ten (10) calendar days following the conclusion of the hearing. The Hearing Body's determination shall be final.
- b. **Finding of Responsibility.** If the Hearing Body determines that the Respondent is responsible, the Director shall notify the appropriate party of the Hearing Body's decision and sanctions within ten (10) calendar days following the conclusion of the hearing. The notification must include a brief summary of the evidence upon which the decision was based.

8. **Determination of Sanctions**

Sanctions shall be determined as follows:

- a. **SCB.** If the SCB finds the Respondent responsible, it shall recommend to the Associate Vice Chancellor one or a combination of sanction(s) that corresponds with the particular violation.

Associate Vice Chancellor. In cases when the Associate Vice Chancellor, as the Hearing Body, finds the Respondent responsible, the Associate Vice Chancellor shall determine the sanction(s) that will be imposed and shall issue his or her written decision, in accordance with Section 9 below – Final Administrative Decision.

If expulsion is recommended by the Associate Vice Chancellor, the Associate Vice Chancellor shall forward the recommendation to the Vice Chancellor within seven (7) calendar days of the completion of the hearing. If the Vice Chancellor agrees with the recommended sanction of expulsion, the Vice Chancellor shall forward the Vice Chancellor's recommendation to the Chancellor within seven (7) calendar days of the receipt of the Associate Vice Chancellor's recommendation.

9. **Final Administration Decision**

The final administrative decision must be reached within a specified amount of time, not to exceed forty-five (45) calendar days after the date of the hearing. At a hearing, any real or perceived conflicts of interest between the SCB and the parties shall be disclosed. If a conflict exists, the SCB member who is the subject of the conflict shall be prohibited from participating in the hearing and deliberations. Such privileges and eligibility are automatically restored upon completion of the probation period if the student has complied satisfactorily with all conditions and refrained from further Code violations.
3. **Expulsion.** (*Applicable to individual students only*) Expulsion is a permanent separation of a student from the University, unless at a later date the Chancellor concludes on the basis of the former student's petition and any supportive documentation that he or she should be approved for reinstatement. A student who is expelled is not permitted to be on University premises or attend University-sponsored activities.

Expulsion shall result in a permanent transcript notation. Expulsion precludes enrollment at any UNC constituent institution. Also, the student's name will be included in the UNC System database which includes the names of suspended/expelled students who attended UNC institutions.
4. **Removal from University Housing.** (*Applicable to individual students only*) A student may be removed from University housing or have their housing assignment changed on disciplinary grounds. Eviction may be permanent or for a specified period. Students subject to removal from a University housing facility will be trespassed from entering all University housing facilities.
5. **Restriction of Privileges.** (*Applicable to individual students and organizations*) A student may be restricted from participating in activities held on University premises or sponsored by the University.

6. **Revocation.** (*Applicable to organizations only*) The University may temporarily or permanently revoke recognition of an organization as an official student organization. In such case, the organization will be temporarily or permanently barred from the University.
7. **Suspension.** (*Applicable to individual students only*) A student may be separated from the University for a specified period of time. Any suspension will be noted on the student's transcript. A student who is suspended is not permitted to be on University premises or attend University-sponsored activities, during the period of the suspension, without the written approval of the Vice Chancellor for Student Affairs. A trespass citation will be issued by the University Police Department to a suspended student who has not received such authorization from the Vice Chancellor.

Notations of the suspension will appear on the student's transcript. Also, the student's name will be included in the UNC System database for suspended/expelled students.

8. **Suspension.** (*Applicable to organizations only*) The University may suspend an organization. During the suspension period, the organization will not be recognized as an official student organization and will not be permitted to sponsor activities or participate in University sponsored activities as an organization. During the suspension period, the members of the organization will not be allowed to wear the organization's paraphernalia.
9. **Written Reprimand.** (*Applicable to individual students and organizations*) A disciplinary written reprimand serves as notice that continuation or repetition of prohibited conduct may be cause for additional disciplinary actions.

- G. **No-Contact Order:** A student may be issued a written "no-contact" order by (1) the Associate Vice Chancellor, (2) by the Director of Student Conduct, or (3) by the Title IX coordinator in sexual related matters when necessary. A no contact order may prohibit the student from having or third-party contact with an individual.

If a no-contact order is issued, the student may submit a written request for reconsideration of the no-contact order to the Assistant Vice Chancellor for Student Affairs within three (3) calendar days of written notice of the no-contact order. The Assistant Vice Chancellor's decision shall be final.

H. **Appeals**

A Respondent who has been found responsible of a *Code* violation may appeal the decision in writing. Appeals from disciplinary decisions are allowable only on the following grounds:

- demonstration of a violation of due process; or
- demonstration of a material deviation from substantive and procedural standards adopted by the UNC Board of Governors.

1. **Decision Other than Expulsion** A decision, other than expulsion, may be appealed in writing to the Vice Chancellor. Such an appeal must be submitted within five (5) business days of the notice of the decision from the Associate Vice Chancellor. A decision by the Vice Chancellor shall be final.
2. **Expulsion.** A Respondent who has been expelled in accordance with Section IV.C.8.b may file a written appeal, within fourteen (14) calendar days of the notice of the Chancellor's decision, to the Fayetteville State University Board of Trustees. The Board of Trustees' decision shall be final.

V. **ACADEMIC DISHONESTY**

It is expected that all members of the University community will work to actively deter academic dishonesty and thus will share in the responsibility and authority to challenge and make known to the appropriate authority acts of apparent academic dishonesty. The Division of Academic Affairs shall be responsible for ensuring the adherence to the procedures outlined below should any student be charged with academic dishonesty.

A. **Definition**

Academic dishonesty is the giving, taking, or presenting of information or material by a student with the intent of unethically or fraudulently aiding oneself or another on any work which is to be considered in the determination of a grade or the completion of academic requirements.

B. Acts of Academic Dishonesty

The commission of any of the following acts shall constitute academic dishonesty. This listing is not, however, exclusive of other acts that may reasonably be said to constitute academic dishonesty.

1. Facilitating Academic Dishonesty

Such conduct includes, but is not limited to, giving unauthorized assistance to another in order to assist that person in cheating, plagiarizing, falsifying or engaging in professional dishonesty.

2. Attempting Academic Dishonesty

Such conduct shall include, but not be limited to, attempting any act that if completed would constitute a violation as defined herein.

3. Cheating

Such conduct includes, but is not limited to, a student receiving unauthorized aid or assistance on any form of academic work.

4. Falsification

Such conduct shall include, but not be limited to, the unauthorized changing of grades or conduct involving any untruth, either spoken or written regarding any circumstances related to academic work.

5. Plagiarism

Plagiarism includes, but is not limited to, copying the language, structure, ideas and/or thoughts of another, without giving appropriate recognition and/or adopting the same as one's own original work.

C. Filing of and Response to Acts of Academic Dishonesty

1. Notification

In cases where a faculty member believes that a student has attempted or committed a violation, the faculty member shall notify the student of the charge and thereafter investigate the matter.

- Undergraduate Student – If, after the investigation, the faculty member concludes that such an act has occurred, the faculty member shall conduct an interview with the student.
- Graduate Student – After the investigation, but prior to the interview, the faculty member shall notify the Graduate Council of the charge within three (3) days of the faculty member's notification to the student of the charge. Such notification to the Graduate Council shall be in writing.

Graduate students who have been charged with academic dishonesty shall be prohibited from withdrawing from the course that is the subject of the academic dishonesty. Should the graduate student subsequently be found not responsible and if the withdrawal date has passed, the graduate student may petition the Graduate Council to allow for withdrawal from the course.

2. Interview

The student must be notified of the date of the interview within five (5) business days after the alleged violation has come to the attention of the faculty member. At the interview, the student and the faculty member may each have an independent nonparticipating observer. The faculty observer shall be the chair of the department. The student may select a student, staff or faculty member as he or she desires. The observers are to observe the procedures impartially. At the interview, the faculty member shall present evidence in support of the charge or charges against the student.

The student shall be given the opportunity to respond and present evidence to rebut the charge or charges. After hearing the student, the faculty member may either dismiss the charge or find it supported on the basis of the evidence. If supported, the faculty member may issue community services or record a failing grade in the course or some portion thereof.

3. Referral to the Academic Integrity Board

After completion of the interview and on the basis of the evidence presented, if the faculty member is of the opinion that issuance of a community service and/or a failing grade sanction would be inadequate disciplinary action, the faculty member may refer the entire case to the AIB for appropriate action. In this case, a hearing will be conducted by the AIB without regard to the findings made or any disciplinary action taken during the interview. A failing grade or community service sanction issued by the faculty member may remain in effect even if further discipline is recommended.

The referral must be submitted to the Senior Associate Vice Chancellor for Academic Affairs within five (5) business days after the faculty member has notified the student of his or her decision.

4. Appeal to the Academic Integrity Board

The student may appeal the decision of the faculty member following the interview to the AIB if the student believes the penalty is too severe and/or the student contests the decision of the faculty member on the basis of the evidence presented. The appeal must be submitted to the Senior Associate Vice Chancellor for Academic Affairs within five (5) business days after the student receives notification of the decision by the faculty member.

D. Academic Integrity Board

The purpose of the AIB is to investigate the incident giving rise to the appearance of academic dishonesty, to reach an informed conclusion as to whether academic dishonesty occurred, and to make a recommendation to the Provost and Vice Chancellor for Academic Affairs (“Provost”) as to sanctions. A hearing by the AIB should not be considered as an adversarial proceeding similar to criminal or civil legal trials.

1. Composition

The AIB shall consist of six (6) persons who shall include three (3) faculty members and three (3) students. In the event that a student accused is a graduate student, then at least one of the student members shall be a graduate student and one of the faculty members shall be a member of the Graduate Faculty.

2 Student Members

The President of the Student Government Association shall appoint annually three (3) student members and two (2) alternates to the AIB. At least one of the alternates shall be a graduate student who will serve when the accused is a graduate student. Such appointments shall be subject to the approval of the Student Senate.

3 Faculty Members

The Chairperson of the Faculty Senate shall appoint annually three (3) faculty members and two (2) alternates to serve on the AIB. At least one of the alternates shall be a member of the Graduate Faculty who will serve when the accused is a graduate student.

4 Academic Integrity Board Chair

Prior to hearing its first case, the Senior Associate Vice Chancellor for Academic Affairs shall convene with the AIB for the purpose of electing a chairperson. The chairperson shall vote only in the case of a tie.

E. Hearing Procedures

1. Notification

The Senior Associate Vice Chancellor for Academic Affairs shall notify the parties involved that an appeal/referral has been received and that a hearing will be held by the AIB. Such notification must be received by the parties within five (5) business days after receipt by the Senior Associate Vice Chancellor for Academic Affairs. The Senior Associate Vice Chancellor for Academic Affairs shall notify each of the parties no later than ten (10) business days prior to the hearing of the date, time and place of the hearing. If a grade for the student in the course must be submitted, the faculty member shall record a grade of incomplete, pending a decision by the Provost and Vice Chancellor for Academic Affairs.

2. Conduct of the Hearing

- a. The hearing shall be closed and shall be attended only by the student and his or her witnesses, the faculty member and his or her witnesses, the independent nonparticipating observer(s) present at the interview, the AIB members and any other persons called by the chair of the Board.
- b. The hearing shall be recorded.
- c. The hearing shall begin with the individual who requested the review by the AIB (“Complainant”) who shall state his or her contentions and offer such proof as he or she desires. When the Complainant has concluded his or her presentation, the individual responding to the Complainant’s request for a hearing (“Respondent”) should then present his or her contentions and any such proof. Both the Complainant and Respondent may question witnesses.
- d. The members of the AIB may ask the Complainant and/or Respondent and their witnesses questions, or to develop a particular line of inquiry. The members may also seek such additional material or the attendance of such other persons as they judge necessary to an understanding of the incident, even if it requires that the proceedings be continued.
- e. Once both parties have made their presentations, the AIB may request that each party present a final statement. Once the final statements have been made, the chair shall conclude the hearing.

F. Determination of Responsibility

Decisions regarding responsibility shall be based solely upon evidence presented at the hearing. The standard of proof shall be the preponderance of the evidence. In finding a Respondent responsible under this standard of proof, the AIB must be convinced, based upon evidence presented at the hearing that the conduct described *more likely than not* occurred.

Following the hearing, the AIB shall meet privately to discuss the case, and reach a finding by a majority vote.

1. Finding of No Responsibility

If the AIB finds an attempt or act of academic dishonesty did not occur, or that the evidence presented was insufficient to sustain the charge or charges, the AIB shall notify, through the Senior Associate Vice Chancellor, the Complainant and the Respondent of its decision, within five (5) business days after the hearing. The issue of the student's continuation in the class(es) and other related issues must be resolved by the dean or department chair in consultation with the student and the faculty member.

2. Finding of Responsibility

If the AIB finds that an attempt or act of academic dishonesty did occur, it shall recommend to the Provost through the Senior Associate Vice Chancellor, one of, or a combination of sanctions. The Provost shall notify the Complainant and the Respondent of the AIB's decision within ten (10) business days after the hearing. The Provost shall include in the notification sanction(s) that will be imposed. A sanction, other than expulsion, imposed by the Provost shall be final. A decision to expel a student shall be forwarded by the Provost to the Chancellor. The Chancellor shall notify the parties involved of his or her decision within fourteen (14) calendar days of the receipt of the Provost decision.

G. Sanctions

One or more of the sanctions listed below may be imposed for a finding for academic dishonesty:

1. Community Service

A student may be given community service hours in lieu of a more severe sanction. Such service shall be supervised by a University employee.

2. Failing Grade

A student may be given a failing grade on the assignment, paper, program, test or exam on which the violation occurred and/or no credit/failing grade for the course.

3. Probation

A student may be placed on academic integrity probation for the remainder of his or her academic career at the University. A student who is found to have committed another act of academic dishonesty while on academic integrity probation may be subject to suspension or expulsion from the University.

4. Suspension

A student may be separated from the University for a specified period of time if he or she has previously engaged in an act of academic dishonesty or if a student commits an act or attempts to commit an act that warrants suspension. In cases where a student will complete graduation requirements during the current semester, suspension is to take effect immediately.

In cases where a student will complete graduation requirements during either of the summer sessions, the suspension period will be applied to the summer session. Any suspension will be noted on the student's transcript.

5. Expulsion

Expulsion is a permanent separation from the University and a student will be expelled if he or she is a repeat offender or commits an act(s) which is considered to be a substantial violation of academic integrity. Expulsion results in a permanent transcript notation.

H. Appeals

A student who has been expelled for academic dishonesty may file a written appeal, within fourteen (14) calendar days of the receipt of the Chancellor's decision, to the Fayetteville State University Board of Trustees. The Board of Trustees' decision shall be final.

VI. OTHER CODE RELATED PROVISIONS

A. Confidentiality of Proceedings and Student Records

Individual student information generated during the course of a Code procedure shall be confidential in accordance with the Family Educational Rights and Privacy Act (FERPA). Student disciplinary records are specifically protected under FERPA. Any person who, without authorization, reveals such information may be subject to disciplinary action.

1. Notification of Alcohol and Drug Violations

Parents and/or guardians may be notified when students who are under the age of 21 are found responsible for any drug and/or alcohol violations. Drug convictions may be reported to the Office of Financial Aid if the offense occurred while the student was receiving federal student aid.

2. Notification of Crimes of Violence

Pursuant to FERPA, victims of crimes of violence may be notified of the outcome of the disciplinary proceeding of the alleged assailant. "Outcome" means the following:

- the name of the student assailant,
- the violation charged or committed,
- the essential findings supporting the conclusion that the violation was committed,
- the sanction if any is imposed,
- the duration of the sanction, and
- the date the sanction was imposed.

In *sexual misconduct, domestic violence, dating violence, or stalking cases*, both the accuser and the accused shall be simultaneously informed in writing of the following:

- the outcome of the disciplinary proceeding,
- the institution's procedures for the accused and the victim to appeal the outcome
- any change to the outcome that occurs prior to the time that the results become final, and
- when the results become final.

3. Records Retention and Disposition

Records of all non-academic disciplinary cases will be maintained in the Division of Student Affairs. Records of academic dishonesty will be maintained in the Office of the Provost. Records in which less severe sanctions are imposed shall be removed in accordance with the University's Records Retention and Disposition Schedule

B. Section 504 of the Rehabilitation Act and the Americans with Disabilities Act

When a student with a disability is charged with an offense, the University will assure that all requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act are met.

C. Freedoms of Expression and Speech

Students are permitted to assemble and engage in spontaneous expressive activity as long as such activity is lawful and does not materially and substantially disrupt the functioning of the University, subject to the requirements of the University Policy Statement of Free Speech and Expression. A "material and substantial disruption" includes, but is not limited to, any or all of the following:

- Any action that qualifies as disorderly conduct under N.C.G.S. §14-288.4;
- Any action that qualifies as a disruption under N.C.G.S. §143-318.17;
- Any action in violation of the Chancellor's designation of a curfew period pursuant to N.C.G.S. §116-212;
- Any action that results in the individual receiving a trespass notice from law enforcement.

Access to campus for purposes of free speech and expression shall be consistent with the University Policy Statement on Free Speech and Expression, the University Space Permit Policy, and the Board of Governor's Policy on Free Speech and Free Expression Within the University of North Carolina.

Responsible officers for the reporting of freedom of speech concerns include the Office of the Director of Student Conduct (910) 672-1788 and attorneys in the Office of Legal Affairs (910) 672-1145.

D. Violations Occurring During the Last Thirty Days of a Semester or During the Summer Sessions

For violations that occur thirty (30) calendar days or less prior to the end of a semester or during a summer session, the Director of Student Conduct may allow the case to be heard when the next semester begins.

E. Attorney/Advisor Attendance or Participation

The University allows attorneys or non-attorney advocates (advocates) to attend an academic or non-academic conduct proceeding when the charge is also the subject of a pending criminal charge. In such cases, the advocate may not participate in the hearing but may confer with their client during the proceeding, so long as the advocate does not address the hearing body or other parties or witnesses and does not delay or disrupt the proceeding.

The University also allows advocates to be present for certain proceedings when the case involves a violation of the University's *Prohibited Sexual Misconduct* policy. The circumstances under which an advocate can be present in such cases are outlined in that policy.

F. Prior Disciplinary Records

A student's prior disciplinary record will be considered only during the sanctioning phase of deliberations, not to determine whether or not to find the student responsible for the alleged violation.

G. Notice

Whenever this *Code* requires giving notice, such notice shall be in writing. Unless otherwise noted in this *Code*, written notice will be provided via Maxient, the University's electronic student conduct system or a student's University email address

H. Final Interpretation of Code

The final interpretation of the non-academic misconduct provisions of the *Code* shall rest with the Vice Chancellor for Student Affairs. The final interpretation of the academic dishonesty provisions of the *Code* shall rest with the Provost and Senior Vice Chancellor for Academic Affairs.
