

I pursued a degree in Criminal Justice because I feel that there are too many innocent individuals in the Criminal Justice System. My goal is to be a part of the solution to this current problem. After I graduate from Fayetteville State University, my ambition is to attend Harvard Law School in order to receive my Juris Doctorate Degree. It may seem like a hard goal to reach, but I know that I can achieve that goal if I continue to stay focused and remain a dedicated, well-rounded student.
