Definitions: The Academic Year includes Fall (Winter at NCSA) and Spring terms. It excludes all Summer terms. 
"Need" in this report is the calculated need using the Federal Methodology adjusted to reflect the number of semesters that a student was actually enrolled as an in-state undergraduate. "Unmet Need" is that portion of Need that exceeds gift aid (Scholarships and Grants). All percentages are the percent of the unduplicated headcount of the in-state undergraduates shown in the first column. Average loan amounts are calculated for those with loans (excluding PLUS loans), not for all in-state undergraduates.
