Do you remember how we develop the FSU Quality Enhancement Plan (QEP)?

- **At Bronco Kickoff – Fall 2009**, the QEP was introduced to FSU as part of the SACS Reaffirmation process and employees were first asked “What’s Your Bright Idea?”
- **At Commencement Rehearsal – December 2009**, graduating senior students were asked for their input on the “bright idea” campaign.
- **In Spring 2010**, students in classes were asked to participate in the “bright idea” campaign.
- **At Mid-Year Conference – January 2010**, the QEP “Give Me Your Bright Idea?” contest winners were announced.
- **At the Year-End Conference – May 2010**, the first QEP draft was presented and received 80% approval by employees participating in a breakout session.
- **At Bronco Kickoff - Fall 2010**, an update was given on the QEP document.
- **March 2011**, the FSU QEP, Making Evidence-Based Decisions, was introduced to faculty, staff, and students.
