Thompson - Department of Residence Life, Landon Hadley - Student Affairs, Marion Gillis-Olion – Academic Affairs, Gregory Moyo Student Affairs, Juanette Council – Student Affairs and Nyutu Pius – Psychology Department  

Next meeting: September 10, 2009, 2:00 pm – 3:30 pm, Loretta Taylor Science Building  

I. Announcements  
The SACS committee is pleased to announce the new addition to the committee. We welcome Ms. Angel Robinson. Ms. Robinson is the president of the student body volunteer committee.  

II. Discussion  
Dr. Pius began the meeting by introducing Dr. Marion Gillis-olion who is the SACS Liaison for the committees. She instructed the committee that we would be the eyes and ears of the Chancellor. There are a wide variety of things that are covered by student affairs. We are to find out if we have everything in place to continue with accreditation. Documentation is critical to the process to prove that we are in compliance. We will be asking hard questions of student affairs employees. We have until December to have our documentation in place proving that Student Affairs is in compliance. If we are not convinced in December, by May 2010 we should have information from Student Affairs to prove beyond a shadow of a doubt that we are in compliance to continue with accreditation.  

Fayetteville State currently provides services to Seymour Johnson Air Force Base, Fort Bragg, NC and Fort Sam Houston, TX. It was discussed that we must provide documentation proving that we are providing student affairs services to off sight locations.
The committee was assigned compliance standards 2.10, 3.91, 3.92, 3.93 and 4.5. The committee was divided into subcommittees to cover all areas. The subcommittees are:

2.10 – Mr. Moyd and Ms. Monica Carson
3.91 and 3.92 - Dr. Nyutu, Dean Hadley and Ms. Thompson
3.93 – Ms. Council and Ms. Robinson
4.5 – Ms. Lopez and Dr. Craddock.

The meeting adjourned at 3:15 pm.
