

*Shout Out! from Ms. Lisa Shirley for*

## **Mary Bailey**

**Assistant Vice Chancellor  
Chancellor's Office**

**May 7, 2009**

Mary Bailey recently completed requirements to become a member of the Junior League of Fayetteville. All prospective members must complete a year long course to become acquainted with the Junior League and Fayetteville, and must complete a community volunteer project. The project was "Operation 26". This project included refurbishing the after school care room for Find-a-Friend, a local mentoring project through Operation Blessing. Ms. Bailey was integral in organizing this project and was voted as the "Spark of the League" by her fellow class members. A link to the news coverage of this project is attached below. Congratulations to Mary for her dedication to our community and making it a better place.
