MEMORANDUM

TO: All Employees

FROM: Angela Revels-Bullard
Associate Vice Chancellor for Human Resources

RE: **Shout Out! Employee Recognition**

All too often, when we voice our opinion about state employees, we report something negative. Yet, state employees make far more positive contributions than they do negative ones. That's why FSU is joining forces with the Office of State Personnel to present Shout Out!, a new employee recognition program that promotes the outstanding efforts of FSU and other state employees.

Shout Out! is a way to let everyone know the great things that our employees are doing at work and in the community. It's about the significant accomplishments, achievements, and successes of state employees.

Did you just receive your master's or doctorate degree? Did someone you know spend a week volunteering in our country or another? Did you receive outstanding customer service from a fellow employee? That's what we want you to tell Shout Out!

Examples of Shout Out! events include educational accomplishments, civic awards, election to professional association office, unique volunteer activities, heroic acts, NCThinks awards, and Governor's Awards for Excellence.

If you know someone who deserves to be recognized, we want to hear about it. We need your help to make Shout Out! a success. Visit us at our website www.uncfsu.edu/humres for submission forms and more information.

Human Resources will post your Shout Out! on its website. Qualifying submissions will be sent to OSP, who will spread the word to legislators and others via their Shout Out! notice and website. Our leaders need to hear about the many outstanding state employees who are out there every day working for our citizens and doing the state's business efficiently and effectively.

Thank you for helping us to recognize the many ways FSU employees contribute to our great state!

We look forward to receiving a Shout Out! from you!
