

Shout Out! From for Erica Murphy for

## Adrian Ferguson

Sports Information Director  
Athletics Department

March 8, 2011

Mr. Ferguson made it possible for CIAA fans all over to see all of the CIAA Basketball Tournament games live online. Other SID's across the CIAA do not offer this service for their schools. Not only does Mr. Ferguson broadcast ALL of FSU's regular season games in most sports, but he made sure that EVERY game at the tournament was broadcasted. At one point, there were over 550 viewers online!
