

Spring 2005 Fact Sheet

Fayetteville State University is a constituent institution of the University of North Carolina. The primary mission of the university is to provide quality education to its students through a basic liberal-arts foundation, specialized professional training, and specific graduate programs. Fayetteville State university is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award baccalaureate, masters, and doctorate degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30022-4097 or call 404-679-4500 for questions about the accreditation of Fayetteville State University. In addition, individual university departments, degree programs, and service functions hold memberships and accreditations with appropriate professional organizations. Chancellor T. J. Bryan is the tenth Chief Executive Officer of the 138-year-old historically black institution and the first female to head the institution.

• Master	122	15
• Doctorate	11	1

- The six most popular undergraduate majors are business administration (119), criminal justice (98), psychology (78), sociology (74), history (58), and elementary education (40).
- Of 21 graduate programs, the top three are school administration (26), social work (19), and business administration (16).

Tuition and Costs in Fall 2004/Spring 2005

- Tuition and fees for full-time in-state undergraduate students are \$1,496.50/semester.
- Tuition and fees for full-time out-of-state undergraduate students are \$6,214.50/semester.
- Housing is \$1,160/semester.
- Twenty-one meals per week plan: \$900/semester.
- Estimated total *annual* cost for in-state undergraduate students is \$7,113.
- Estimated total *annual* cost for out-of-state undergraduate students is \$16,549.
- Estimated total *annual* cost for in-state graduate students is \$2,593.
- Estimated total *annual* cost for out-of-state graduate students is \$12,183.

Financial Aid: 2004-2005

- 4,452 students received 33 million dollars in aid.
- Of those receiving aid, 414 (9%) are graduate students, with 1% of their sources of aid being employment, grants, and/or scholarships and the other 99% being loans.
- For undergraduates, 55% of the funds were received through grants and scholarships, while 43.6% received their source of aid through loans.
- These sources provided for 98.6% of the financial aid received by 4,038 undergraduate students.

Student Activities

- 78 registered student organizations.
- 4 fraternities.
- 3 sororities.

Academic Support

The Noel/Levitz College Student Inventory (CSI) that provides early identification and tracking of at-risk students was administered to 87% of all 2004 freshmen. Of these, 71% were interviewed, and subsequent referrals were made to university support services. University College is dedicated to serving freshmen and sophomores. The university's acclaimed Freshman Year Initiative serves first-year students. The Sophomore Year Initiative began this year, as did learning communities such as Bronco Men of Distinction. Additionally, special programs such as federally funded Student Support Services and volunteer efforts—such as the university's faculty/staff mentoring effort that matches employees with students—are designed to meet students' needs.

Athletics

- Fayetteville State University is a member of the Central Intercollegiate Athletic Association (CIAA).
- The university has won back-to-back CIAA football championships in 2002 and 2003.
- In recent years, Bronco teams have brought home 22 championships in football, basketball, golf, volleyball, tennis, bowling, and softball.
- Student-athletes on athletic scholarships have a 6-year graduation rate of 53%, compared to 38% for all students (This represents the 1997 freshman cohort six years later that graduated from FSU by 2003).

Alumni

- The September 2004 ACT Alumni survey of 152 graduates from 2000 or 2001 demonstrated that 73% believe that FSU adequately prepared them for continuing their education.
- Nearly 86% reported that FSU was their first (56%) or second (30%) choice.
- 85% of FSU alumni state that their college education has either definitely improved (57%) or probably improved (28%) their quality of life.
- About two-thirds of alumni reported starting salaries of just under \$30,000 for their first full-time position after graduation, while nearly 7% reported starting salaries of \$50,000 or higher.

FACULTY AND STAFF

- 177 full-time teaching faculty are employed as of October 1, 2004.
- 95% of full-time faculty members hold doctoral or first professional degrees.
- The average salary of a full-time faculty member is \$59,236.
- Student-to-faculty ratio is approximately 21 to 1.

Workforce and Economic Impact

- Fayetteville State employed 818 individuals as of October 1, 2004.
- 177 are full-time teaching faculty, while 641 are administrators, support staff, or part-time faculty.
- Approximately 88% are permanent full-time employees.
- Employees earn a total of \$53.9 million in wages and salaries in the Fayetteville region.
- The total local fiscal impact of FSU on the region is \$2.4 million in estimated local tax revenue generated by workers employed or supported by operations of FSU.
- FSU generates \$2.93 in economic impact for each \$1 appropriated.

FINANCES

Annual Budget

- Fayetteville State University has an annual budget for fiscal year 2004 of \$76,973,226.51.
- Sungard SCT Banner's Finance System, scheduled to "go live" in July 2005, is being implemented to improve the effectiveness and efficiency of operations.
- FSU is the first institution in the UNC Banner Project to "go live" with Banner's institutional advancement and admissions software.
- Key data elements in the Banner Finance System will include Funds, Organization, Accounts, Programs, Activities, and Locations (FOAPAL).

FACILITIES

Campus

- Three-quarters of the 38 buildings on the 92-acre main campus are new or newly renovated.
- All residence halls are air-conditioned, internet connected for each resident, with computer labs in common areas.
- Construction and renovation from North Carolina's \$3.1 billion Higher Education Improvement Bonds will continue through 2006.
- The General Assembly has provided an additional \$10 million to acquire land for construction of two additional buildings: Southeast North Carolina Effective Teaching & Research Center and Nursing Education Health-Care Research Center.

The First...

- FSU is the oldest public historically black institution of higher learning in North Carolina.
- FSU received state and regional accreditation in 1947.
- FSU won two consecutive CIAA football championships in 2002 and 2003.
- In 2003, Dr. T. J. Bryan became the tenth Chief Executive Officer and the first female to head the institution.
- Dr. Bryan is the first African-American woman to lead an UNC institution.
