

NOTICE

Under the direction of the North Carolina Department of Public Instruction (NCDPI), all undergraduate teacher education programs offered by the School of Education at Fayetteville State University were revised. All revised programs received DPI approval in December 2009. The revised programs, and the teacher education students that we serve, will adhere to the attached implementation timeline. Information sessions were held to update students on the approved changes. The following statement is noted in the FSU catalog:

“Fayetteville State University, in keeping abreast of ever-changing times, reserves the right to change, delete, or add to any part of this publication as it deems necessary for the good of the university. Every attempt will be made to keep changes to a minimum and to communicate changes to all students.”
