Dear Fellow Staff:

I'm writing at the request of UNC Staff Assembly leaders to ask you to participate in an upcoming survey regarding the criteria relating to experience, skills, characteristics, and philosophy/Values that should guide the selection of the next UNC system president.

The UNC "Leadership Statement Committee" has begun the process of mapping the criteria that should guide the search for a new UNC system president to succeed the current president, Erskine Bowles. We are happy that for the first time in a Presidential Search, we are represented on this committee by the UNC Staff Assembly Chair, Kelley N. Eaves-Boykin, from UNC Charlotte. Other members of this committee include leaders of the UNC Board of Governors, leaders of various UNC campus Boards of Trustees, Chancellors, and representatives of UNC faculty and students.

The staff representatives have now completed and launched a survey designed to seek insights from **all staff on all campuses. Responses must be submitted no later than Thursday, April 8 at 5 p.m. in order to be considered.** Because materials related to the search fall within state public records requirements, data collected may be subject to disclosure upon request. You may therefore include your name and affiliation with your response, or you may respond without doing so to preserve confidentiality.

The survey can be accessed at <http://www.surveymonkey.com/s/MZCJ6QK>. It is important that we have a strong staff response and I urge you to participate so that we can convey the message that staff members are deeply committed to helping guide the mission on our campuses, and very much wish to be heard.

Please help us guide this important search process. If you have questions, you can contact UNC Staff Assembly Chair Kelley N. Eaves-Boykin ([kneavesb@uncc.edu](mailto:kneavesb@uncc.edu)) or you can contact me at the following e-mail so that I can address any of your concerns.

Sincerely,

Michele McIver-Bell
