

I'm DaBria Bullock. I'm a freshman here at Fayetteville State and my major's Forensic Science.

Um I chose to come to Fayetteville State because everybody in my city Rocky Mount they either go to Winston-Salem, A&T, all the other HBCU's but no one really comes here and they have a great Forensic Science program here, so I wanted to be different.

Cathy Baldwin, she was the LEAP RISE advisor, and she basically helps me with my decision making like what exactly I wanted to major in and how I wanted to take my route to get to where I wanted to be at. And so, she's been very helpful.

I would tell them to get involved in the campus and be active. Always speak to people cause you never know who's looking at you. Like I won Miss Freshman this year and it was because of the people I spoke to as I like went to the Caf or just walked to the gym or anything. And they knew me. And I didn't really know them but they knew who I was which helped me win.

I'm proud to be a bronco because it's such a family-like community here and everybody knows each other. It's so small, you don't have to worry about having to go all the way across town to get to where you need to be at. And I just love it here.
