

# CURATE YOUR EDUCATIONAL EXPERIENCE THE FAYSTATE HONORS WAY

## PROGRAM SUMMARY

The University Honors Program promotes Honors As Experience. The program provides an honors experience in academics, community, and leadership. It allows students to follow their respective degree plan and does not require additional credits.

## PROGRAM METHODOLOGY

**Flexibility-Autonomy-Diversity**

## HONORS MODEL

### YEAR 1

#### **Declare Honors Concentration and 1st Year Capstone**

Students will declare an honors concentration by constructing an individualized question about a topic of importance to them.

### YEARS 2-3

#### **Growing Your Question and Honors Product of Learning**

This phase of the program encourages interdisciplinarity by understanding the various intellectual tools used.

### YEAR 4

#### **Signature Product**

Students will culminate their project in the form of a signature product that caps their individualized journey.
