Set up your Profile

Begin by setting up your student profile. Your profile lets instructors and advisors know who you are and how to contact you. It also gives you control over how you wish to receive emails.

1. Click your name in the top right corner of your Home page to open your profile.

   From here, you can customize your profile by uploading a photo, setting appointment reminders, and adding a secondary email address for receiving BroncoConnect emails (e.g. your mobile phone).
