be obtained from the Director of Housing and Residence Life).

e. All students are required to complete vaccination/inoculation requirements prior to moving into a residence hall. Students must have their own health insurance and must upload proof of coverage into the University sponsored Insurance plan website www.studentbluenc.com/fsu. This requirement is for any student residing in housing regardless of the registration status.

f. To live on campus all students are required to complete University mandated training and programs, including: the Living in Community canvas course, alcohol and substance abuse, sexual harassment, sexual misconduct, bullying, stalking, hazing, domestic violence as well as any other University required programs.

III.DURATION AND MODIFICATION OF CONTRACT

a. The application/contract becomes effective after signing by the student and written acceptance of the student into FSU's on-campus housing program.

b. This Student Housing Agreement is for the academic year (i.e., fall and spring semesters) and expires on the last day of the spring semester final exams for the academic year applied for or by midnight upon the day the student withdraws from the University. Withdrawal does not negate the financial obligations the student incurs while occupying a housing space. Students intending to complete their studies in the Fall may sign a partial year contract, provided they show proof of their intended graduation.

c. If a resident fails to enroll (register) or fails to pay an outstanding balance or fees which impact the continuation of his/her enrollment, the resident agrees to vacate the premises within 24 hours after notification.

d. The conditions of the application/contract apply to all occupancy terms.

e. The residence halls will close for specified periods. Students are required to vacate the residence halls during extended university holiday closings immediately after Fall Final Exams, during December and Spring Break holidays, at the end of Spring Final Exams, the period in-between summer sessions and other officially announced closings.

f. A supplemental contract may be required if students apply for residency during extended term periods listed

HERE YOU WILL REVIEW THE HOUSING AGREEMENT AND ENTER YOU STUDENT ID (BANNER #) BELOW TO ACKNOWLEDGE BEFORE CLICKING TO CONTINUE

By entering your Student ID below you acknowledge that you have read, and understand, the above agreement.
