Beginning in August 2017, resident undergraduate tuition is frozen for students who remain continuously enrolled for eight semesters.

In the year ended June 30, 2026, Fayetteville State University received approximately \$97 million in appropriations from the North Carolina General Assembly, providing an additional \$16,695 towards the total cost of education for each resident student.

***The reduced tuition is a result of the NC Promise Program, which was established by the North Carolina General Assembly. This program is expected to provide an additional \$20.4 million in state appropriations to FSU in FY 2025-26 to support the significant reduction in cost to students.**
