Bronco Venture Pitch

Turn your idea into reality! Compete for up to $1,500 in prizes!

Enter the Bronco Venture Pitch at https://forms.gle/6cdCTRyFktKwWSRq9 by March 23. The semi-finalists will have 2-minute video pitches due on April 4 and the live pitches are on April 11 from 3:00 to 5:00 p.m. in the Shaw Auditorium. If you are not local and are selected for the finals, we will make arrangements to video conference you in for the event. You can do this individually or in a team of up to three full time FSU undergraduate students.

Bronco Venture Pitch

FSU students advance their ideas by winning funding and receiving feedback from entrepreneurship ecosystem leaders. First Prize = $1,500, Second Prize = $1,000, Third Prize = $500. The competition operates in three simple stages with support for each stage.

Step 1: Application - Submit your venture idea or actual business application (5-minute investment) at https://forms.gle/QwBtEDZjrFSfVp9q or scan the QR code.

– Due March 23, 2023 (Semi-finalists announced March 29)

Step 2: Video Pitch – Up to 30 selected students submit 2-minute video elevator pitches.

– Pitches due April 4 (Finalists announced April 7)

Step 3: Live Pitch – Up to 15 students present 2-minute live elevator pitches on April 11 at 3:00 p.m. in the Shaw Auditorium

Step 4: Funding & Feedback – Finalists receive feedback from judges and the top three receive funding – Announced on April 11

What is a Business Model Canvas? We walk you through it via questions choices in the application! No need to create a complete canvas!

It is a one-page visual map of a venture. Its nine key components are target market, value propositions, revenue streams, cost structure, customer relationships, channels, key partners, key activities, and key resources. The template is available at https://www.strategyzer.com.
What is an Elevator Pitch?

An elevator pitch is a concise and well-practiced description of a business venture that could be delivered effectively if an entrepreneur found themselves in an elevator with a potential investor. Creating an effective elevator pitch means addressing the three key factors - What is the problem that your business solves? How do you solve it? What do you need to make it happen? An elevator pitch is an opportunity to get ideas in front of a qualified panel of judges made up of entrepreneurs, investors and other people who can help move entrepreneurial ideas into reality. The pitch is a vital step toward creating a viable business.

What topics should be included in the Bronco Venture Pitch?

In less under two (2) minutes, the Pitch should clearly, concisely, and logically describe:

- Problem (pain) to be solved or improvement (gain) for the customer/user.
- Solution - product or service description (What will you make/do?)
- Scope - market and its size (How big is the opportunity?)
- Environment - competition and competitive advantage
- Team – why you are suited to do this?
- Money - financial expectations and startup capital requirements (How much money do you need? For what? When will you pay it back or provide a return? On what terms?)

What are the judging criteria for the Bronco Venture Pitch?

- The idea/opportunity is creative, original, and memorable.
- The product and/or service addresses a real need by customers.
- The market opportunity and potential returns are compelling and believable.
- The pitch information is presented in a clear, concise, and logical order.

Who can enter the Bronco Venture Pitch Competition?

Any currently enrolled Fayetteville State University full time undergraduate student can participate individually or as a team member with other FSU undergraduates. Students are encouraged to create interdisciplinary teams of students of up to three students with members from any major and any level of credit hours completed. Individuals can enter the competition each year but cannot pitch the same business venture if it has placed first, second or third in prior years. The company must be at least 51% owned by the team member(s) and be legal under the laws of the state in which it will be located.

**Elevator Pitch** - The following are some **tips and guidelines** for creating a successful pitch:

- Allow enough **time to do this well**. Although you have a two-minute maximum on the video elevator pitch, it will take hours of thinking, discussion, research, writing, and practice to produce a top-notch pitch. It isn’t sufficient to videotape an “off-the-cuff” speech or two minutes of reading a script.
- Imagine that you have to convince someone to invest or loan thousands, and perhaps millions, of dollars for this idea. You need to be **polished, professional and prepared**. However, you can simply use the video recording function on your computer, tablet or phone to make the video.
- **Do NOT use** any PowerPoints or Prezi presentations. Convince us of the value of the opportunity through your words and presentation. An elevator pitch is designed to get people interested in supporting your opportunity.
- The video can include just head shots or whole person video. That is up to you. Either way, your **appearance** should reflect the business environment and be **appropriate to pitching funders**.
- **Content matters.** It matters a lot!
- **Video clips** - Note that these are under 2-minutes - You don't need to rush so much and cover all that is required!
