Excellence In Teaching Conference 2026

Innovative Pedagogies &
Learning Environments

Fayetteville State University
Rudolph Jones Student Center

April 10-11, 2026

The background of the entire poster features a photograph of students in a classroom setting. A young woman with curly hair is in the foreground, smiling and looking down at her work. Another student with long, wavy hair is visible behind her, also with her hand raised. The overall atmosphere is one of engagement and learning.
