

# CRJC 650 - Program Evaluation in Criminal Justice

**Credit Hours:** 3

**Lecture Hours:** 3

**Lab Hours:** 0

This enhanced course will familiarize students with key components of program evaluation in criminal justice organizations and contexts. This course will combine aspects of social research methodology and applied research techniques and skills to the context of the practice of criminal justice. Students who successfully complete this course should expect to be able to perform evaluative services to their current and/or future agencies.

**Prerequisite:** [CRJC 501](#) and [CRJC 521](#) and [CRJC 540](#) and [CRJC 550](#) or permission of instructor
