

# Attention!!

## FSU Homecoming VIP Invitees

It is our hope that you will be able to join us for Fayetteville State University's annual Homecoming Parade

**Saturday, October 5, 2019**

Because of budget cuts, economic limitations, and insurance issues, FSU is no longer able to supply vehicles for our VIP guests to ride in the parade.

If you are able to join us, please note the following:

1. All invited VIP and Dignitaries will continue to ride in the parade FREE.
2. All VIP and Dignitary participants will need to supply their own vehicle for the parade.
3. VIP participants will need to supply their own drivers.
4. FSU will supply numbering for your vehicle upon arrival the morning of the parade. Participants will need to supply their own car signage.
5. Commissions, Boards, and other group entities are asked to pool resources and limit their group to two (2) cars maximum in which the group will ride.
6. Guest's vehicles will be lined up at the Grand Marshals Breakfast Reception according to the parade entry number for the drive downtown to the line-up site. VIP cars will filter into the line-up downtown in numerical order according to their entry number.
7. Participants are asked to please submit the enclosed parade entry form in order that we may know how to plan for the event.
8. Please be reminded of normal FSU parade guidelines enclosed.
