Who We Are: Boehringer Ingelheim is one of the world’s top 20 pharmaceutical companies. Since its foundation in 1885, the family owned company has been pursuing an ambitious goal: to research and develop innovative pharmaceuticals that improve the health and quality of life of humans and animals alike.

Join us to learn more about Boehringer Ingelheim and opportunities available for students for our 2021 seasons.

Following the information session, we will have employees share reflections on their journey to and at Boehringer Ingelheim.
