

BETTER FAFSA

1

How does it work?

This grant is exclusively contingent upon your income and the size of your family.

The IRS transfers your tax information to assess your eligibility

2

Did I Qualify?

Results are usually visible after completing the form.

Some individuals must wait as the system requires some to submit separate applications for consent before receiving a response.

3

Next Steps

The financial aid officer reviews the results at the schools you listed in your application. Be alert for school emails with additional information.

4

Studentaid.gov

All help comes from *studentaid.gov*. You need your login credentials to get assistance.

You must create an account 48–72 hours before applying for financial aid if you have never used it.
