**Overview**

**Academic Libraries Overview**

Welcome to the IPEDS Academic Libraries (AL) survey component. The purpose of the AL component of IPEDS is to collect information on library collections, library expenses, and library services for libraries in degree-granting postsecondary institutions.

**Recent changes**

There are a few changes to the 2016-17 Academic Libraries component from the 2015-16 collection. Visit the [Academic Libraries Resource](#) page for a list of the changes and additional reporting resources.

**Data Reporting Reminders**

Report all data for fiscal year (FY) 2016. Fiscal year 2016 is defined as the most recent 12-month period that ends before October 1, 2016, that corresponds to the institution's fiscal year.

**Coverage:**

Include data for the main or central academic library and all branch and independent libraries that were open all or part of the fiscal year 2016. Branch and independent libraries are defined as auxiliary library service outlets with quarters separate from the central library that houses the basic collection. The central library administers the branches. Libraries on branch campuses that have separate IPEDS unit identification numbers are reported as separate libraries.
