

Staff Town Hall Questions & Answers

Q: Campus beautification has been phenomenal in the past year. Will you continue to promote excellent landscaping, which is through Cardinal Landscaping services. Appearance is important!

A: We are committed to keep our campus landscaping well maintained and cared for. Excellence is our goal.

Q: Has there been any discussion about compensating those that have been deemed essential/mandatory personnel and are unable to telework and have been on campus throughout the pandemic?

A: Fayetteville State University appreciates all our frontline and essential workers and are thankful for their continued service and dedication. At this time, there has been no discussion regarding compensation for employees who are unable to telework, but we will continue to seek guidance from the state and the Governor's guidelines.
