

# B.S. in Public Health

Community Health Concentration  
Gerontology Concentration

Department of Health, Physical and Secondary Education

## Program Information

The Department of Health, Physical and Secondary Education offers a Bachelor of Science Degree in Public Health with an option of a concentration in Community Health or Gerontology. The degree requires 120 credit hours.

A Bachelor of Science degree in Public Health focuses on prevention, promotion, protection, and population-based health care services and provides an individual with the knowledge and skills needed to function as a change agent with the capability to address intergenerational health problems of the 21<sup>st</sup> century. Therefore, this program supports FSU's mission to provide students with the highest quality learning experiences that will produce global citizens and leaders as change agents for shaping the future of the State.

Program outcomes are aligned with the [Core Competencies for Public Health Professionals](#):

- Data Analytics and Assessment Skills
- Policy Development and Program Planning Skills
- Communication Skills
- Health Equity Skills
- Community Partnership Skills
- Public Health Sciences Skills
- Management and Finance Skills
- Leadership and Systems Thinking Skills

## Admission Requirements

### To the Department

Students entering the Department of Health, Physical and Secondary Education must complete a [Declaration of Major Form](#) (access through the QR code below) to receive departmental advisement and be assigned an advisor in the major concentration. All majors must choose a Bachelor of Science in Public Health.

Once the Major has been declared students are required to complete the following steps:

- Meet with their Major Advisor prior to enrolling in courses
- Complete and sign a declared major new program of study

## Graduation Requirements

Students in the Public Health Degree must meet the following requirements to be **eligible for graduation**:

- Complete all courses in the University College Core Curriculum;
- Have a cumulative GPA of 2.0 or higher; and
- Earn a grade of C or higher in all PUHE, COHE, GEHE, and HEED major core courses.

To apply for graduation, the candidate must:

- Apply for graduation
- Pay \$75 application fee
- Spring Candidates should apply for graduation by March 30 of the same year
- Fall candidates should apply for graduation by October 30 of the same year
- To apply for graduation, follow the [Banner Student Online Graduation Application Instructions](#)
- Transcripts will be updated with "Degree Awarded" and diplomas mailed 4-6 weeks after graduation.
