Notes

- Courses are for the North Carolina Community College (NCCC) system. Other courses may satisfy requirement.
- Students do not earn credit if any requirement is waived. All students must earn at least 120 credits to graduate.
- NCCC Associate in Arts (AA), Associate in Science (AS), Associate in Applied Science (AAS), Associate in General Education (AGE). Per NC Comprehensive Articulation Agreement, NCCC graduates with AA or AS have completed FSU general education requirements. NCCC general education courses not used for core may be applied to free electives or used to reach 120 credits. AAS, AFA, and other specific degrees may be governed by articulation agreements.
- At least one Natural Science class must include a lab.
- Not required for students with 30 or more transfer credits from a foreign institution. Students do not earn credit if requirement is waived.

Four-Year Plan

This Plan illustrates how students can meet degree course requirements in four years. Some courses listed below may be taken in an alternate order. Courses fulfilling requirements are listed on the previous pages. For information about prerequisites and other program requirements, consult the appropriate Catalog Program of Study and an advisor. Students should work with advisor to create and update an individual plan in Degree Works.
