Welcome to Degree Works! Let us get started!

If there are any discrepancies with your audit, please confer with your assigned advisor.

### **Student View** – Basic student information

**Toolbar** Requirements vs. Credits will possibly always differ because a student may have 200 transferred credits, but, only two (2) may apply to the Requirements of the degree. Always use the Requirements toolbar and confer with your advisor if there are any discrepancies.

## 

Complete - This means that this requirement has been satisfied

**Complete Except for Classes – In Progress** – This will be applicable to all in progress courses **(TP)** – These are transferred in courses

\* - This course has a required prerequisite attached. Click on the course to view the prerequisite needed **Not Complete** – This requirement has not been fulfilled

**Nearly Complete** – See Advisor – A student will see this during their final semester. This is an advising opportunity to ensure the student is on track.

@ - This symbol will represent a range of courses (5@ = ANY 500 level course **OR** you may see it written as 500:599, which is another representation of a range of courses from 500-599)

### How to "Look ahead for future courses"

Select the Look ahead, while in the worksheets view

On the bottom of the screen, you will key in a potential course that may be of interest to the student and we will be able to see if and where the course will plug into on their audit. If you need additional assistance locating the course number, please use the magnifying glass next to your classification and then add course (must be done for each course).
