Test Prep Classes

Don't let required test scores cause extra stress! If you need to brush up on skills or just want to be prepared for the question formats, then our test preparation program is right for you. Whether you are applying to college for the first time or preparing for graduate studies, our targeted test prep programs will help you get the score you want. Each course (SAT, ACT, GRE, GMAT, and LSAT) includes a review of the verbal, math, and reasoning skills necessary for success on your test, and also introduces strategies to help you master the types of questions you will encounter. Our classes are available in two formats:

Live-Online: attend class in the evening from the comfort of your home or office. Interact with classmates and your instructor in real time, using an internet connection.

On-Demand: watch recorded lessons from wherever you want, whenever you want! Both options include printed practice materials to accompany the instruction and access to online office hours, in case you have questions between sessions. Check out our live online course schedule to find a time that suits your needs, or register for our on-demand courses anytime.
