### Airline Certification Program: Military MyCAA Program

Do you enjoy communicating with and helping people? Is travel a passion? Combine the two interests by enrolling in our Airline Certification Program and become a very employable Air Reservation Specialist. The program has six separate courses that include specific instruction followed by assessments and a final exam. All teachers are available via email and message board to help set you up for success through each course. The individual courses are self-paced, require about 30 hours to complete, and completed within 90 days of starting. You have a year to complete the entire program, and at the end, you will be proficient in the Sabre Computer Reservation System.

Many job opportunities will be available to you with this certificate. Contact us today for more information or visit [www.unctsu.edu/mycaa](http://www.unctsu.edu/mycaa) today.

**Course No. FSU 1603 | Price \$909**

### Pharmacy Technician with Externship: Military MyCAA Program

Are you looking to break into the healthcare industry? Pharmacy Technicians learn a lot and are in high demand. A Pharmacy Tech is the pharmacist's right hand in many different settings. The job specifics include, but are not limited to, entering patient data into the system, dispensing commercially available medicine, compounding specialty orders, and preparing IV medications.

This program is designed to give an introduction into the fundamentals of becoming a pharmacy technician. Pharmacy practice settings, drug classes, basic physiology, drug interactions, and daily pharmacy operations will all be covered in this program.

## Test Prep Classes

Don't let required test scores cause extra stress! If you need to brush up on skills or just want to be prepared for the question formats, then our test preparation program is right for you. Whether you are applying to college for the first time or preparing for graduate studies, our targeted test prep programs will help you get the score you want. Each course (SAT, ACT, GRE, GMAT, and LSAT) includes a review of the verbal, math, and reasoning skills necessary for success on your test, and also introduces strategies to help you master the types of questions you will encounter. Our classes are available in two formats:

**Live-Online:** attend class in the evening from the comfort of your home or office. Interact with classmates and your instructor in real time, using an internet connection.

**On-Demand:** watch recorded lessons from wherever you want, whenever you want! Both options include printed practice materials to accompany the instruction and access to online office hours, in case you have questions between sessions. Check out our live online course schedule to find a time that suits your needs, or register for our on-demand courses anytime.
