A Unique Career with Canine Massage Services

Do you have a love or compassion for animals? Consider a unique career with ***Complete Canine Massage Certification Career Builder Course**. In this course, you will learn how to provide massage techniques that can help enhance the overall well-being of a dog. Canine massage can help promote animal relaxation, improve flexibility and promote overall health. Specific massage techniques can even help depress animal pain. Students will learn over 20 hands-on healing techniques to work with canine orthopedic conditions. There are prerequisites for this course. There are also assessments and required texts.

A homework assignment is included at the end of each lesson and is designed to help the student learn each technique by practicing it outside of class. After completing the online portion of the course, students must demonstrate their mastery of the course content. The student must schedule a Skype visit with the instructor to demonstrate the hands-on techniques learned throughout the online course. Students completing all program requirements will receive a certificate of completion from the Ojai School of Canine Massage.

Course No. FSU7348 | Price: \$1,699

Information Security Manager

One of the most lucrative and trending careers in the Information Technology industry is IT Security. The demand for security manager personal is on the rise. This certification is for the IT professional who is looking to gain security analyst skills. The ***Certified Information Security Manager** course will train participants for positions as Risk Management, Security Auditor, Compliance Officer, or executive management positions CSO, CTO, or CIO. Participants will learn information security governance, risk management, information security program development, information security program implementation, information security program management, and incident management/response.

The courses are Introduction to the Administration of a Medical Office, Writing for Business Professionals, Effective Communication in the Workplace, Medical Terminology Training, Microsoft Office 2010, and Understanding Health Insurance. All coursework needs to be completed before certification.

Course No. FSU 2900-A | Price: \$1,149

Test Preparation Classes

Don't let required test scores cause extra stress! If you need to brush up on skills or just want to be prepared for the question formats, then our test preparation program is right for you. Whether you are applying to college for the first time or preparing for graduate studies, our targeted test prep programs will help you get the score you want. Each course (SAT, ACT, GRE, GMAT, and LSAT) includes a review of the verbal, math, and reasoning skills necessary for success on your test, and also introduces strategies to help you master the types of questions you will encounter. Our classes are available in two formats:

Live-Online: attend class in the evening from the comfort of your home or office. Interact with classmates and your instructor in real time, using an internet connection.

On-Demand: watch recorded lessons from wherever you want, whenever you want!

Both options include printed practice materials to accompany the instruction and access to online office hours, in case you have questions between sessions. Check out our live-online course schedule to find a time that suits your needs, or register for our **on-demand courses** anytime.

**Please note that all FSU On Demand Courses are non-credit. These courses are for continuing education purposes to pursue an individual interest or strengthen skills for personal or professional growth. For more information, please contact us at 910.672.1229 or ContinuingEdu@uncfsu.edu.*

My CAA Program: Career Advancement Military Spouse

Did you know The Military Spouse Career Advancement Accounts (MyCAA) program can provide up to \$4,000 in tuition assistance to eligible military spouses? This scholarship helps active duty military spouses pursue licenses, certificates, certifications or associate degrees in high demand, high-growth portable career fields and occupations. There are many courses available under our four areas of study: Business/Service Careers, Healthcare Careers, Legal Careers, and Technical Writing.

Our courses are online and available 24/7, so you can work at your own pace while an instructor and online technical support are made available to assist you. All materials are included, along with

assessments, online performance tracking and immediate grading. Please visit www.uncfsu.edu/continuing-education/mycaa-program for eligibility requirements and registration. For questions, please call 910-672-1228 or email ContinuingEdu@uncfsu.edu.
