I. INTRODUCTION

Fayetteville State University (“University”) prohibits any form of hazing of its students, at any time, or at any location on or off campus, including University owned or leased property, private residences, or public property. The University will respond swiftly to investigate reports of hazing received from any source, and will promptly determine whether to proceed with campus disciplinary action, to forward a report to appropriate law enforcement officials for prosecution as a criminal matter, or both. University students who voluntarily consent to hazing, as well as those who inflict it, are subject to such action.

II. HAZING DEFINED

The term hazing shall include, but not be limited to, pressuring or coercing a student into violating state or federal law, any brutality of a physical nature, such as striking in any manner, whipping, beating, branding, exposure to the elements, forced consumption of food, liquor, drugs, or other substances, or other forced physical activities that would adversely affect the health or safety of the student. It also includes any activity that would subject the student to extreme mental stress, such as sleep deprivation, forced exclusion from social contacts, forced conduct that would be extremely demeaning or results in extreme embarrassment or any other forced activity that could adversely affect the mental health or dignity of the student.

For purposes of this section, any activity as described above, or any action or situation that recklessly or intentionally endangers the mental or physical health or safety of a student for purposes, including, but not limited to, recruitment, initiation, acceptance or admission into or affiliation with a university sanctioned organization, shall be presumed to be hazing and a “forced” activity, the willingness or consent of an individual to participate in such activity notwithstanding.

III. NORTH CAROLINA LAW

NCGS §14-35. Hazing; Definition and Punishment: It is unlawful for any student in attendance at any university, college, or school in this State to engage in hazing, or to aid or abet any other student in the commission of this offense. For the purpose of this section hazing is defined as follows: “ to subject another student to physical injury as part of an initiation, or as a prerequisite to membership, into any organized school group, including any society, athletic team, fraternity or sorority, or other similar group. Any violation of this section shall constitute a Class 2 misdemeanor.

NCGS §14-38. Witnesses in Hazing Trials: In all trials for the offense of hazing, any student or other person subpoenaed as a witness on behalf of the State shall be required to testify if called upon to do so: Provided, however, that no student or other person so testifying shall be amenable or subject to indictment on account of, or by reason of, such testimony.

IV. REPORTING INCIDENTS OF HAZING

Students who are the victims of such behavior should also immediately report the matter to the Office of the Dean of Students or to the Department of Police and Public Safety. Those offices are charged to take appropriate action to respond to such a report.

Students and employees who know, or suspect, that hazing has taken place are strongly encouraged to report it. Individuals may confidentially report such information by, (a) providing a detailed description online at <http://www.uncfsu.edu/studentaffairs/dos/judicialforms.htm> of the incident the individual believes to be hazing (b) providing such information to the Dean of Students via the form attached to the Policy as Attachment A.
