**Passing Scores for North Carolina**
The North Carolina Department of Public Instruction has established a passing threshold for edTPA. The following table lists the NC DPI approved edTPA cut scores: The NC-established passing threshold for 2018–2019 will remain for the 2019–2020 program year. The cut scores for 2020–2022 are estimates until North Carolina data collected over 2017–2020 can be analyzed to determine North Carolina-specific cut scores beginning in 2020–2021. Note - Handbooks with only 13 rubrics include World Language and Classical Languages. Handbooks with 18 rubrics include the two Elementary Education handbook options. All other edTPA handbooks consist of 15 rubrics.

Your handbook selection should be aligned with your clinical experience. Please call or contact your state office of educator licensing for specific details. For additional information regarding edTPA state policies, please review AACTE's state participation information. 🌐
