G: Guarantee the fulfillment of SGA’s mission
R: Reignite student activism on campus
O: Operate with humility and transparency
W: Work towards implementing new student leader initiatives.
CHAIRMAN’S REMARKS

Chairman Neal stated that this being her last meeting as a Board member is bittersweet. She has enjoyed her journey on the Board, thanking her colleagues, Chancellor Anderson, and staff for the opportunity to be of service. Chairman Neal also acknowledged those who came aboard with her 8 years ago and are also leaving with her—Trustee Donald Porter and Trustee Edward Dickerson.

The Board has meant a lot to Chairman Neal, and as the Chair this past year has seen it grown from a passive to an engaging Board. The members have been great contributors—in acts of service and monetarily.

On April 2, Chairman Neal attended FSU’s Convocation. On April 2nd, she attended the donor’s luncheon. Chairman Neal attended a public speaking workshop. The connection with students was invaluable.

On April 8 and 30, 2019, Chairman Neal attended the Special Call Meetings via teleconference.

On May 4, Chairman Neal attended the Bronco Derby, hosted by the FSU Charlotte Alumni Chapter. This event was a fundraiser—a promotional effort entitled “On a Full Tank.” Chairman Neal explained that FSU leaves you with a full tank. Now, it’s time to redistribute that fuel and bring it back to FSU.

On May 10-11, Chairman Neal attended the Grad, Undergrad Commencement Exercises and the Pinning Ceremony for the nurses. She stated that her engagement doesn’t end with her term ending. She serves on many different bodies affiliated with FSU to include the National Alumni Association and Chapter Association.

On September 10, 2019, she will give a fundraiser at her home.

CHANCELLOR’S REMARKS

Chancellor James Anderson presented service plaques to Chairman Vedas Neal, Trustee Donald Porter, and Trustee Jodie Ervin (who was on the telephone). Dr. Anderson stated that our Board is a success due to the dedicated services of these individuals.

A hearty welcome was given by Chancellor Anderson to newly sworn-in SGA President, Trustee Kiante’ Bennett. She also served as Chancellor for a Day, shadowing the Chancellor throughout the day, attending meetings and entertaining guests in an effort to understand what goes on daily in the life of a chancellor.

We have been awarded a multiple GSA contract. We now have the ability to be a prime contractor (up to $1 million).
Due to underfunding of some programs, some items will not be funded going forth. There is an attempt to reduce payroll, as the bulk of our expenses is salary. Chancellor Anderson stated that we must fund things that are about our core mission. There will also be an examination of course schedules where there are high-salary faculty members with only two persons in the classroom. This will be an effort by the deans as they strive for efficiency and effectiveness. As well, there will be a temporary aligning of offices. A clear analysis will be conducted to see what offices do/don’t need funding.

Fayetteville State University had the second highest participation rate in completing the Employment Engagement Survey (General Forum Survey). The main concern that came from the survey was that FSU wouldn’t effectively respond to the results of the data. Chancellor Anderson stated that we will address it.

A continuing focus on FSU’s $10K Degree Pathway partnership with NC Community Colleges is on-going. On Monday, April 1, 2019, FSU will be celebrating the partnerships with our Community College partners with workshops, break-out panels, speakers, and special recognition. The community colleges have a lot of partnerships with 4-year institutions. A request for funds to support recruitment has been made possible through the Gates Foundation.

Chancellor Anderson stated that the university is in the midst of developing a new strategic plan. The committee is working on developing sub-committees. There will be a work retreated to work on the strategic priorities, and risks. Revising the Mission Statement is one of the priorities. Hope to have it finalized by the December meeting.

Students are using the food pantry. However, Chancellor Anderson would like an analysis done to determine who and how many students et.al. are using the it.

The Computing Center at Bronco Square has been closed. We didn’t have enough money to sustain it. It is the Chancellor’s hope that another one will be opened up soon. Also, the Chemistry Program was recently accredited in Chemical Engineering and the Nursing Program is seeking to institute a Master’s Program in Safety and Quality.

Finally, Chancellor Anderson announced that he would be stepping down as Chancellor immediately. He will be on sabbatical for a year and will still be part of the FSU family. He decided that it was time to focus on his family.

CLOSED SESSION

Trustee Donald Porter made a motion to go into closed session to prevent the disclosure of information that is confidential pursuant to North Carolina General
Statute 143-318.11(a)(6). The motion was seconded by Trustee Richard Adams. The motion carried.

OPEN SESSION

The Board of Trustees reconvened in open session. Chairwoman Neal entertained a motion to approve promotions for faculty members.
