SPECIAL PRESENTATION

Mr. Leslie Boney, VP, International, Community and Economic Engagement at General
Administration, presented to the Board the UNC Engagement Report for 2015, that
included how FSU’s position. The report focused on three key areas, which were
teaching, research, and public services. The report was borne out of concerns from the
business, government, and local communities concerning the needs of our students.

One of the major pieces that the report bore out was that the focus FSU has had on
entrepreneurship is the way of the future. FSU has always finished in the top three
positions at the Entrepreneurship Competitions each year. Also, FSU has been the
largest contributor to the HBCU Internship Program. Nine out of 20 students in the
program were from FSU.

CHAIRMAN’S REMARKS

Trustee Wayne Branch gave a brief report on behalf of Chairman Donald Porter who
had to leave. Trustee Branch thanked Chancellor Anderson and staff on the staging
and all efforts rendered for Governor McCrory’s appearance at the University to
introduce his bill regarding N.C. Connect. The News and Observer and others gave
rave reviews on the Governor’s appearances.

Trustee Branch asked the Board to begin thinking about steps for a retreat in the month
of August. A new member’s orientation will also be held. Self-evaluation of Board
members is also on the horizon. Trustee Branch reminded the Board members that
they must stay in step with the University’s Strategic Plan.

Other items the Board was asked to consider were thoughts for succession planning as
we move forward. Also, conversation has been had about planning a town hall meeting
that would allow the community to come together at a neutral location and discuss
concerns and issues that affect the University and surrounding communities. Also, the
Board Chair expressed an interest in planning a social event for the Board and
University Foundation Board, in an effort to interact with each other. As well, a Board
get together away from the office was suggested. It would be a time of bonding and
getting to know each other better.
CHANCELLOR’S REPORT

The monthly Board of Governors Meeting will be held on the campus of FSU March 3-4, 2016. Chancellor Anderson advised everyone to mark their calendars in preparation for this event.

While attending the Association of Governing Board (AGB) Conference with Chairman Porter, Chancellor Anderson stated that they attended a seminar that talked about the ten habits of highly effective boards. Chancellor Anderson stated that this should be discussed at the next Board retreat.
