Many students have traveled back to Fayetteville State University from spring break activities and some may have concerns about where they traveled or with whom they have been in contact. Stay informed by checking the CDC website or visiting our Cumberland County Health Department website.

Student Health Services remains open Monday – Friday 8:00 AM to 5:00 PM for administrative purposes and 9:00 AM to 4:30 PM for clinical hours. A nurse is available everyday Monday – Friday 8:00 AM to 5:00 PM. If you have developed an illness or need assistance for a routine appointment, please call 910-672-1259 before you come to the clinic. When you call, we will be asking you a series of questions to schedule the appropriate appointment. If you have flu-like symptoms, fever, and/or respiratory problems, then we will meet you at the clinic entrance.

For your Awareness:

- COVID-19 testing is not performed on healthy people. If you do not have symptoms, we cannot screen you for exposure.
- There is no vaccine for COVID-19.
- Student Health Services will provide you with a facemask if you are ill.
- The President of the United States has asked all Americans to follow the following guidelines to slow the spread of the virus:
  - Listen to and follow the directions of your STATE AND LOCAL AUTHORITIES.
  - IF YOU FEEL SICK, call the clinic at 910-672-1259.
  - Continue to wash your hands with soap and water. You may also use hand sanitizer.
  - Follow respiratory hygiene by coughing in your elbow or sleeve and not your hands.
  - Practice social distancing
- Call the clinic at 910-672-1259 if you have questions about your health.
- We are here for you.
