OVERVIEW

A campus master plan is an tool that gives Fayetteville State University the opportunity to re-examine campus improvements and prioritize near and long-term project goals.

The Campus Master Plan is an extension of the Strategic Plan and guides the physical development of our campus, providing a short and long-term framework that is clear, flexible, and implementable.

It is not only a “building program” but also includes renovation and renewal and will help identify opportunities to create new spaces, encourage mixed-use facilities and bring people together.
Accommodate significant **ENROLLMENT GROWTH** with new and existing facilities.

Support and promote student **HEALTH AND WELLNESS INITIATIVES** on campus.

Address **ACADEMIC SPACE** capacity and utilization, including strategies to repurpose underutilized space.

Develop a comprehensive and **STRATEGIC** renovation, replacement and management plan.

Address the resiliency of the **CAMPUS INFRASTRUCTURE**.

Attract and support **MILITARY FAMILIES** and **ADULT LEARNERS**.

Make recommendations for outdoor space and landscape improvements that define the **CAMPUS IDENTITY**, particularly at the perimeter and entries.

Provide access to expanded **STUDENT AMENITIES**.

Transform FSU’s Campus into a **COMMUNITY HUB**, providing **ESSENTIAL RESOURCES** to the Cumberland County region.

Expand and integrate **COMMUNITY PARTNERSHIPS AND OFF-CAMPUS DEVELOPMENT OPPORTUNITIES** with direct links to the university and campus.
Stakeholder engagement is critically important to ensuring campus space is appreciated and well-utilized. FSU leadership hosted 23 engagement sessions and distributed surveys between 2021 and 2023.

Stakeholders engaged include: students, administration, faculty, staff, alumni, neighbors and the community.

**CONSENSUS FROM THE STUDENTS**

» Better student housing
» More options to travel across campus
» Student lounges in the residence halls
» Quiet study rooms in the library and student center
» Better places to live and eat

**CONSENSUS FROM THE UNIVERSITY**

» Soft spaces in academic buildings, lobbies, lounges and study areas
» Outdoor spaces that are designed for activity
» Student lounges near classrooms
» Murchison Corridor improvements
» Enhanced campus identity and physical appearance

Visible resources and opportunities to connect with community
Meeting the 2022-2027 Strategic Plan goal of increasing enrollment to 8,000 students by 2027 will lead FSU to need repurposed/additional academic and residential spaces.

FSU 10-Year Campus Master Plan 2023-2033
Seven campus districts, each with a unique identity, turn FSU into a neighborhood: Gateway, Academic Commons, STEM, Student Life, Military, Parking and Day Care.
EXPANSION AND RENOVATIONS

The Promenade

Coming to the Promenade August 2024: The Starbucks Quad!
A promenade path stitches the campus districts together, uniting them into one cohesive campus.
The Gateway District

WELLNESS ZONE
Leveraging the Health & Wellness Center, coming in Fall 2025, the greenspace surrounding the Center has the potential to provide outdoor activities and connect to the larger network of campus paths and city greenway trails.
The Gateway District, including Bronco MidTown, the Arts Neighborhood, and the Wellness Zone, plays a critical role in campus vitality and identity. It will develop the west edge of campus into a more dynamic, active, and public-facing space.

THE ARTS NEIGHBORHOOD
Celebrating the Performance and Fine Arts programs captured within this area, the Arts Neighborhood includes two building renovations, and outdoor performance space, and an outdoor makerspace and gallery.

BRONCO MIDTOWN
Bronco MidTown is an amenities hub, transforming Murchison Road from a suburban highway into an urban, pedestrian-friendly corridor and destination.

A new Chick-fil-A is coming in July 2024.
EXPANSION AND RENOVATIONS

Academic Commons and STEM Districts

College of Education
Coming in Spring 2026
New buildings, renovations, landscape improvements and provide excellent opportunities for learning in and outside of the classroom.

Early Childhood Education Center
Established in 1970, the Early Childhood Learning Center is a five-star rated center operating under the department of the College of Education. It has served generations of little Broncos. Our highly credentialed teachers provide quality mentorship and guidance for college students to prepare them for a career in early childhood education.
FSU is well-positioned to expand collaboration with the City of Fayetteville to develop mixed-use spaces.

**Future Expansion**

**Expansion Through Collaboration**

- Future Expansion
- FSU-owned
- City of Fayetteville
FSU is uniquely positioned to collaborate further with the City of Fayetteville or provide resources for campus and the community. Murchison Corridor can be further developed to provide cross-walks and seating areas.
