Pediatric/Adolescent Sexual Assault Nurse Examiner (SANE) Course

Sexual Assault Nurse Examiner (SANE) Course

FOR HEALTH CARE PROFESSIONALS

Fayetteville State University, School of Nursing, Sexual Assault Nurse Examiner (SANE) training will prepare health care professionals (HCPs) who are interested in learning more about forensic examinations of clients who experience violence or a sexual assault. HCPs will learn how to deliver trauma informed care, take a medical history for a sexual assault client, obtain consent, conduct a sexual assault physical examination, evidence collection, and how to provide testimony in court as part of the medical forensic exam and evidence collection. HCPs will also receive information on how to respond to and advocate for persons who suffer from violence and sexual assault.

BLENDED LEARNING COURSE FORMAT

65% virtual attendance
35% classroom

*Applicant must complete the didactic portion of the course before starting clinical practicum

*Clinical requirements must be met post-training to complete the course.
